Safety Instructions for Forster Products, Inc.

Sizing Die Decapping Unit 6.5X55mm Swedish

Introduction

Thank you for choosing the Forster Products Sizing Die Decapping Unit 6.5X55mm Swedish. This guide provides important safety information and instructions to ensure safe usage and handling of the product. Please read this manual carefully before using the decapping unit.

General Safety Guidelines

- Always use the decapping unit according to the manufacturer's instructions.
- Ensure that the decapping unit is compatible with your Forster Full Length and Neck Sizing Dies.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the decapping unit before each use for any signs of wear or damage.
- Do not modify or attempt to repair the decapping unit yourself.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use personal protective equipment (PPE) such as safety glasses when operating the decapping unit to protect against debris.
- Ensure that the workspace is clean and free from obstructions to prevent accidents.
- Handle the decapping pin and other small parts with care to avoid injury.
- Avoid using excessive force when decapping cartridges to prevent damage to the unit or injury.
- Be aware of the potential for sharp edges on the decapping rod and other components.

Instructions for Installation and Usage

1. Installation:

- Gather all components of the decapping assembly: decap rod, spindle bushing, lock nut, expander ball, and decapping pin.
- Follow the instructions provided with your Forster Full Length and Neck Sizing Die for proper installation of the decapping assembly.
- Ensure that all components are securely fastened before use.

2. Usage:

- Place the cartridge into the sizing die and ensure it is properly aligned.
- Slowly and steadily apply pressure to the decapping rod to remove the primer from the cartridge.
- After decapping, inspect the cartridge and decapping unit for any signs of damage.
- Clean the decapping unit regularly to ensure optimal performance.

Disposal Instructions

- Dispose of the decapping unit and any damaged components in accordance with local regulations.
- Do not dispose of the decapping pin or other small parts in a manner that could pose a risk to others, especially children and pets.
- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For safety inquiries or additional support regarding the Forster Products Sizing Die Decapping Unit, please refer to the manufacturer's official website or contact their customer service team.

Thank you for prioritizing safety while using the Forster Products Sizing Die Decapping Unit. Your adherence to these guidelines helps ensure a safe and effective reloading experience.
