

SHELLHOLDER RACK - RCBS SHELLHOLDER RACK

[Reloading](#) > [Shellholders & Shellplates](#)

The RCBS Shell Holder Rack keeps your shell holders organized and protected. The Rack has twelve positions that hold two shell holders on each post. There is also room to store six Trim Pro Shell Holders as well. The clear cover keeps out the dust and dirt while allowing you to see what is stored in the rack. The Shell Holder Rack can be mounted on the wall or used on the bench. The wall mountn spacing allows it to be hung off of standard 1" pegboard hooks as well. The support legs angle the bottom out for wall mounting or the top up for bench use. Additional Shell Holder Racks can be snapped together if more shell holder storage is needed.

Safety Instruction Guide for RCBS Shell Holder Rack

Introduction

Thank you for choosing the RCBS Shell Holder Rack. This product is designed to keep your shell holders organized and protected. To ensure safe and effective use, please read this safety instruction guide thoroughly.

General Safety Guidelines

- Ensure the product is used as intended.
- Always store the rack in a dry environment to prevent corrosion.
- Keep the Shell Holder Rack out of reach of children and vulnerable individuals.
- Regularly inspect the rack for any signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the maximum storage capacity of the rack.
- Ensure the rack is securely mounted if wallmounted to prevent it from falling.
- Use only compatible shell holders with the rack.
- Avoid placing heavy objects on top of the rack when used on a bench.
- Do not use the rack for any purpose other than its intended use.

Instructions for Installation and Usage

1. Installation:

- Choose a suitable location for the rack, either on a wall or on a workbench.
- For wall mounting:
 - Use standard 1" pegboard hooks for hanging.
 - Ensure the wall is sturdy and can support the weight of the rack and shell holders.
 - Use the support legs to angle the bottom out for proper wall mounting.
- For bench use:
 - Position the rack securely on a flat surface.
 - Angle the support legs up for stability.

2. Usage:

- Place up to two shell holders in each of the twelve positions on the rack.
- Store up to six Trim Pro Shell Holders in the designated area.
- Ensure the clear cover is closed to keep dust and dirt out while allowing visibility of stored items.
- If additional storage is needed, snap together more Shell Holder Racks securely.

Disposal Instructions

- Dispose of the Shell Holder Rack in accordance with local regulations.
- Do not dispose of the rack in regular household waste if it is damaged or no longer usable.
- Consider recycling materials if applicable.
