

WILSON TRIMMER CASE HOLDERS, PISTOL CARTRIDGES - L.E. WILSON FIRED CASE PISTOL HOLDER 38 SPECIAL

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

Wilson Case Holders hold the case square to the cutter face for trimming as well as inside neck reaming, case mouth deburring, and military crimp removal. Standard Pistol Case Holders require that cases be tapped into the case holder firmly to hold the case securely due to the straight wall construction. We recommend Q-Style case holders when available for pistol cartridges.

Attributes

- Name: [L.E. WILSON FIRED CASE PISTOL HOLDER 38 SPECIAL](#)
- Manufacturer: [L.E. WILSON](#)
- Product no.: 749002524

WILSON TRIMMER CASE HOLDERS Safety Instruction Guide

Introduction

Thank you for choosing the WILSON TRIMMER CASE HOLDERS for your reloading needs. This guide provides essential safety information to ensure the safe and effective use of the product. Please read this guide carefully before using the case holders.

General Safety Guidelines

To ensure the safe use of the WILSON TRIMMER CASE HOLDERS, please follow these general safety guidelines:

- Always use the product in accordance with the manufacturer's instructions.
- Inspect the case holders for any damage before use. Do not use damaged products.
- Keep the case holders out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE), such as safety glasses, when operating the equipment.
- Store the case holders in a dry place, away from direct sunlight and extreme temperatures.

Specific Safety Precautions for Use

When using the WILSON TRIMMER CASE HOLDERS, please observe the following specific safety precautions:

- Ensure that the case is firmly tapped into the case holder before trimming to prevent slippage.
- Do not attempt to trim cases that are not compatible with the case holders.
- Avoid placing your hands near the cutter face during operation to prevent injury.
- If the cutter becomes dull or damaged, replace it immediately to avoid accidents.
- Never leave the equipment unattended while in use.

Instructions for Installation and Usage

To ensure proper installation and usage of the WILSON TRIMMER CASE HOLDERS, follow these steps:

1. Installation:

- Select the appropriate case holder for the cartridge you are using (e.g., .38 Special).
- Ensure the case holder is securely attached to the trimming machine as per the machine's instructions.

2. Usage:

- Insert the fired case into the case holder, ensuring it is seated firmly.
- Tap the case gently with a mallet if necessary to secure it in place.
- Align the cutter face with the case and begin the trimming process.
- Monitor the trimming process closely, ensuring that the cutter does not bind or stall.
- After trimming, remove the case from the holder and inspect it for any defects.

Disposal Instructions

When disposing of the WILSON TRIMMER CASE HOLDERS, please follow these guidelines:

- Do not dispose of the product in regular household waste.

- Check local regulations for proper disposal methods for plastic and metal materials.
- If the product is damaged beyond repair, consider recycling materials where possible.

Contact Information for Further Support

For any safety inquiries or support regarding the WILSON TRIMMER CASE HOLDERS, please refer to the contact information provided by your retailer or the manufacturer.

Conclusion

By following the safety instructions outlined in this guide, you can ensure a safe and effective experience with the WILSON TRIMMER CASE HOLDERS. Always prioritize safety and do not hesitate to seek assistance if needed. Thank you for your attention to these important safety guidelines.
