# Replacement Cutter Shafts Safety Instruction Guide

## Introduction

Thank you for choosing the Replacement Cutter Shafts for your Original, Classic, and BMG Case Trimmers. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the cutter shafts.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the cutter shafts for any signs of wear or damage before use.
- Do not attempt to modify or repair the cutter shafts yourself.
- Always wear appropriate safety gear, including eye protection, when using the trimmer.
- Report any unsafe product conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Sharp edges: The cutter shafts are sharp and can cause cuts or injuries.
- Improper use: Using the cutter shafts inappropriately can lead to accidents or damage to the trimmer.

- **Avoiding Hazards:**

- Always handle the cutter shafts with care.
- Do not use the cutter shafts if they are damaged or worn.
- Ensure that the trimmer is turned off and unplugged before changing the cutter shafts.
- Follow all manufacturer instructions regarding the use of the trimmer and cutter shafts.

- **AgeSpecific Warnings:**

- This product is not suitable for children under 18 years of age.
- Adult supervision is recommended when the product is used around minors.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure that the trimmer is powered off and unplugged.
2. Remove the old cutter shaft by following the manufacturer's instructions.
3. Insert the new replacement cutter shaft into the trimmer, ensuring it is securely fitted.
4. Follow any additional manufacturer instructions for securing the cutter shaft.

- **Usage:**

1. Before using the trimmer, inspect the cutter shaft for any damage.
2. Plug in the trimmer and turn it on.
3. Use the trimmer according to the manufacturer's guidelines, ensuring you are using the correct settings for the caliber.

4. After use, turn off the trimmer and unplug it before performing any maintenance or cleaning.

## **Disposal Instructions**

- Dispose of the cutter shafts in accordance with local regulations for hazardous materials.
- Do not dispose of the cutter shafts in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the Replacement Cutter Shafts, please reach out to the manufacturer or authorized dealer. It is important to have access to support for any questions or issues that may arise during the use of this product.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy using your Replacement Cutter Shafts with your Case Trimmer!
