

# NECK TURNING CASEHOLDERS - UNIVERSAL CASEHOLDER ONLY

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Neck Turning Accessories](#)

The Sinclair Driver and Caseholder system is designed to hold and turn your case while you are neck turning, cleaning case necks or case mouth deburring. The caseholders and driver are machined from stainless steel, and the driver has a ¼" hex shaft for use in power screwdrivers or low speed drill motors. The driver is universal to the Sinclair system and will work with all the caseholders. Our Universal Caseholder enables you to use this system with our Sinclair Stainless Shell Holders listed on page 29. Select the appropriate shell holders for your favorite cartridges.. The Universal Caseholder works with the same #05-200 driver as our original caseholders, and it is available as a "kit" with the Driver and Universal Caseholder or individually for those who already have a driver. Remember to order the Sinclair Stainless Shell Holders for your Universal Caseholder if you don't already have them. This system is a great, inexpensive way to speed up the neck turning process. Also works great for many other case prep operations. **\*\*NOTE: When ordering case holders, you will need to order a case holder driver as they are sold separately.\*\***

## Attributes

- Name: [UNIVERSAL CASEHOLDER ONLY](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749003251
- Mfr. No.: 05280
- Cartridge: -
- Delivery weight: 0.068kg
- Shipping height: 13mm
- Shipping width: 83mm
- Shipping length: 146mm

# Safety Instruction Guide for NECK TURNING CASEHOLDERS UNIVERSAL CASEHOLDER ONLY

## Introduction

Thank you for choosing the NECK TURNING CASEHOLDERS UNIVERSAL CASEHOLDER ONLY from Sinclair International. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions to prevent accidents and injuries.
- Always inspect the caseholder and driver for any signs of damage before use. Do not use damaged components.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Use the product in a wellventilated area to avoid inhalation of any debris or particles generated during use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear safety glasses and gloves when using the caseholder to protect against debris and sharp edges.
- **Work Environment:** Ensure that your workspace is clean and organized. Avoid clutter that may lead to accidents.
- **Power Tools:** If using a power screwdriver or drill, ensure it is in good working condition and follow the manufacturer's safety instructions.
- **Neck Turning Process:** Take care when handling cases and tools. Ensure that your hands are dry to maintain a secure grip.
- **Avoid Overloading:** Do not exceed the recommended usage limits of the caseholder and driver to prevent breakage or malfunction.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the Universal Caseholder, Driver, and Sinclair Stainless Shell Holders.
- Ensure your workspace is clean and welllit.

### 2. Installation:

- Attach the Universal Caseholder to the Driver by sliding it onto the hex shaft until it is securely in place.
- If using a power screwdriver or lowspeed drill motor, ensure it is properly connected to the Driver.

### 3. Using the Caseholder:

- Insert the case into the Universal Caseholder, ensuring it is seated securely.
- If neck turning, cleaning, or deburring, follow the specific instructions for your technique while using the caseholder.
- Operate the power tool at a low speed to maintain control and precision.

#### **4. PostUse:**

- After completing your work, carefully remove the case from the Caseholder.
- Clean the Caseholder and Driver with a soft cloth to remove any debris. Store in a dry place.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product is no longer usable, please dispose of it responsibly. Check with local waste management authorities for recycling options.

## **Contact Information for Further Support**

For any questions or concerns regarding the NECK TURNING CASEHOLDERS UNIVERSAL CASEHOLDER ONLY, please refer to the manufacturer's contact details provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your NECK TURNING CASEHOLDERS UNIVERSAL CASEHOLDER ONLY. Thank you for your attention to these guidelines.
