

CARBIDE PRIMER POCKET UNIFORMERS - SINCLAIR INTERNATIONAL PRIMER POCKET UNIFORMER, CARBIDE, SMALL RIFLE/PISTOL

[Reloading](#) > [Case Preparation](#) > [Primer Pocket Tools](#) > [Uniformers](#)

The Sinclair primer pocket uniformers are precision ground from one solid piece of tungsten carbide, so there is no need to worry about changing the depth of cut. These cutters are designed to be used every time you reload. They cut the depth of primer pockets to the correct SAAMI specification and also clean the carbon out of the primer pocket after each firing. Available in 4 sizes: Large Rifle, Small Rifle/Pistol, Large Pistol, and a PPC/BR uniformer.

CARBIDE PRIMER POCKET UNIFORMERS SINCLAIR INTERNATIONAL SMALL RIFLE/PISTOL PRIMER POCKET UNIFORMER Safety Instruction Guide

Introduction

Thank you for choosing the Sinclair Primer Pocket Uniformers for Small Rifle and Pistol. This safety instruction guide is designed to help you understand how to use this product safely and effectively. By following these guidelines, you can ensure a safer experience while using the uniformer.

General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the uniformer before each use for any damage or wear. Do not use if damaged.
- Use the product only for its intended purpose as described in this guide.
- Ensure a clean and organized workspace to prevent accidents.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the uniformer.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the uniformer is used in a wellventilated area to avoid inhalation of any dust or debris.
- Avoid using the uniformer near flammable materials or in explosive environments.
- Do not force the uniformer beyond its intended capacity. Follow the manufacturer's guidelines for use.
- Be cautious when handling small parts to prevent choking hazards, especially around children.
- If you experience any discomfort or adverse reactions while using the product, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure your work area is clean and free from distractions.
- Gather all necessary tools and materials before starting.

2. Installation:

- Follow the manufacturer's instructions for any assembly required.
- Ensure all components are securely attached before use.

3. Usage:

- Place the primer pocket uniformer on a stable surface.
- Load the primer pocket uniformer with the appropriate primer pocket.
- Gently apply pressure to the lever or handle to operate the uniformer.
- Do not exceed the recommended pressure during operation.
- After use, clean the uniformer to remove any debris or residue.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Sinclair Primer Pocket Uniformers, please refer to the contact information provided on the packaging or visit the manufacturer's website.

By adhering to these safety instructions, you can help ensure a safe and effective experience with your Sinclair Primer Pocket Uniformers. Thank you for your attention to safety, and enjoy your product!
