

# FULL LENGTH SIZING DIES - FORSTER PRODUCTS, INC. FULL LENGTH SIZING DIE, 7MM REM SHORT ACTION ULTRA MAG

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. Forster Full Length Sizing Dies are each equipped with their E-Z Out Expander button which helps keep case necks concentric during the neck expanding operation. It's positioned higher in the neck area than most other dies. This provides support and holds the axis of the neck and case in alignment while the case is withdrawn from the die.

## Attributes

# Safety Instruction Guide for Forster Full Length Sizing Dies

## Introduction

Thank you for choosing the Forster Full Length Sizing Dies. These dies are designed to provide you with the highest quality reloading experience. To ensure your safety and the effective use of this product, please read and follow the guidelines outlined in this document.

## General Safety Guidelines

- Always handle reloading equipment with care to prevent accidents.
- Ensure your workspace is clean and free from distractions while reloading.
- Store all reloading components and equipment out of reach of children and pets.
- Use protective eyewear when operating reloading equipment to protect against any debris.
- Regularly inspect your dies and equipment for signs of wear or damage.
- Follow all local laws and regulations regarding reloading and ammunition.

## Specific Safety Precautions for Use

- Ensure that the die is properly secured in the reloading press before use.
- Do not exceed the recommended load specifications for your cartridges.
- Always wear gloves when handling reloading materials to avoid skin irritation.
- Be aware of the potential for lead exposure and take necessary precautions.
- Keep a fire extinguisher nearby when reloading, as flammable materials may be present.
- Never leave reloading equipment unattended while in use.

## Instructions for Installation and Usage

### 1. Installation of the Die

- Ensure the reloading press is turned off and unplugged before installation.
- Remove any existing die from the press.
- Insert the Forster Full Length Sizing Die into the press and secure it tightly.
- Adjust the die to the desired depth according to your reloading specifications.

### 2. Using the Die

- Prepare your cases by cleaning and inspecting them for defects.
- Insert the case into the die and ensure it is seated correctly.
- Operate the reloading press to size the case, ensuring smooth operation.
- After sizing, remove the case and inspect it for proper dimensions and quality.

### 3. Using the EZ Out Expander Button

- The EZ Out Expander button is designed to maintain concentricity during neck expansion.
- Position the expander button according to the manufacturer's instructions for optimal performance.
- Ensure the expander is clean and free from debris before use.

## **Disposal Instructions**

- Dispose of any damaged or worn reloading dies according to local regulations.
- Do not dispose of reloading materials in regular trash. Follow local hazardous waste disposal guidelines.
- Ensure that all components are recycled or disposed of in an environmentally friendly manner.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please refer to your local Forster distributor or authorized retailer for assistance. Always ensure that you have the most up to date information regarding recalls and safety notices.

## **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure a safe and efficient reloading experience with your Forster Full Length Sizing Dies. Thank you for choosing Forster Products, Inc.
