

# FULL LENGTH SIZING DIES - FULL LENGTH SIZING DIE, 8X57MM MAUSER

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. Forster Full Length Sizing Dies are each equipped with their E-Z Out Expander button which helps keep case necks concentric during the neck expanding operation. It's positioned higher in the neck area than most other dies. This provides support and holds the axis of the neck and case in alignment while the case is withdrawn from the die.

## Attributes

- Name: [FULL LENGTH SIZING DIE, 8X57MM MAUSER](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 749004767
- Mfr. No.: 005651
- Cartridge: 8 mm Mauser (8 x 57 mm Mauser)
- Diameter (in): -
- Die Style: Full Length Sizing Dies
- Delivery weight: 0.386kg
- Shipping height: 56mm
- Shipping width: 135mm
- Shipping length: 218mm
- UPC: 757253001086

# Safety Instruction Guide for Forster Full Length Sizing Dies, 8X57MM Mauser

## Introduction

Thank you for choosing the Forster Full Length Sizing Die, 8X57MM Mauser. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the die.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, such as safety glasses and gloves, when using reloading equipment.
- Inspect the die for any damage before use. Do not use if damaged.
- Store the die in a cool, dry place when not in use to prevent rust and deterioration.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the die is securely mounted in your reloading press before use.
- Do not exceed the recommended load specifications for the 8X57MM Mauser cartridge.
- Be aware of the potential for lead exposure and take necessary precautions, such as using a dust mask and ensuring proper ventilation.
- Avoid distractions while reloading to maintain focus and safety.
- Keep your work area clean and organized to prevent accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the reloading press is turned off and unplugged.
- Securely mount the Forster Full Length Sizing Die in the reloading press according to the manufacturer's instructions.
- Adjust the die height as necessary to ensure proper alignment with the cartridge case.

### 2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for any signs of damage.
- Insert the cartridge case into the die and ensure it is properly seated.
- Use the EZ Out Expander button to keep the case neck concentric during the expanding operation.
- Follow the reloading data for the 8X57MM Mauser cartridge to ensure safe and effective loading practices.
- After resizing, inspect each cartridge for proper dimensions and signs of overpressure.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of any reloading materials in regular household waste.
- Check with local authorities for proper disposal methods for hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Forster Full Length Sizing Die, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
