

Edgewood Stock Protector - EDGEWOOD SHOOTING BAGS

EDGEWOOD STOCK PROTECTOR

[Shooting Accessories](#) > [Range Gear](#) > [Recoil Sholder Pads](#)

The Edgewood Stock Protector is a protective leather cover for your rifle stock which lays over the butt stock to keep solvents and oils off the stock while you are cleaning the rifle. Two One fourth inch steel rods are sewn into the side edges of the stock protector to keep it in place on the stock. Made of a single piece of quality leather. Approximately Nine and One half inches wide and twelve inches long

Edgewood Stock Protector Safety Instructions

Introduction

Thank you for choosing the Edgewood Stock Protector. This protective leather cover is designed to keep your rifle stock safe from solvents and oils during cleaning. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the Edgewood Stock Protector before use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the product if it is damaged or if you notice any defects.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Avoid exposing the leather cover to extreme temperatures or direct sunlight for prolonged periods, as this may damage the material.
- Do not use harsh chemicals or abrasive cleaners on the leather.
- Ensure the stock protector is securely attached to the rifle stock before use to prevent slippage.
- Do not attempt to modify or alter the product in any way.
- If you have allergies to leather or related materials, consult with a medical professional before using this product.

Instructions for Installation and Usage

1. Installation:

- Lay the Edgewood Stock Protector over the butt stock of your rifle.
- Ensure that the two one-fourth inch steel rods are aligned along the side edges of the stock.
- Press the stock protector firmly against the stock to secure it in place.

2. Usage:

- When cleaning your rifle, ensure that the stock protector remains in place to shield the stock from solvents and oils.
- After cleaning, remove the stock protector and allow it to air dry if it becomes damp.
- Store the stock protector in a cool, dry place when not in use to maintain its quality.

Disposal Instructions

- Dispose of the Edgewood Stock Protector in accordance with local regulations for leather products.
- Do not incinerate the product, as this may release harmful substances into the environment.
- If the product is damaged beyond repair, consider recycling the leather if possible.
