# **Safety Instructions for SMALL BASE BODY DIES REDDING SMALL BASE BODY DIE 284 WINCHESTER**

## **Introduction**

Thank you for choosing the SMALL BASE BODY DIES REDDING SMALL BASE BODY DIE 284 WINCHESTER. This product is designed for reloading cartridges in firearms with custom chamberings. It is essential to follow safety guidelines to ensure safe and effective use of this product.

## **General Safety Guidelines**

- Always read and understand the product instructions before use.
- Ensure that the die is compatible with your firearm and cartridge specifications.
- Store the die in a safe and dry location, away from children and unauthorized users.
- Inspect the die regularly for any signs of wear or damage before each use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

## **Specific Safety Precautions for Use**

- Use the die only for its intended purpose: sizing the body and shoulder of the cartridge.
- Do not attempt to resize the neck of the cartridge with this die.
- Always wear appropriate safety gear, including eye protection, when using reloading equipment.
- Ensure your workspace is welllit and organized to minimize the risk of accidents.
- Keep hands and other body parts clear of moving parts during operation.
- Do not exceed the recommended pressure limits for your cartridges.
- Be aware of the risks associated with handling firearms and ammunition.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the reloading press is securely mounted on a stable surface.
- Insert the SMALL BASE BODY DIE into the reloading press according to the manufacturer's instructions.
- Adjust the die to the desired height for proper cartridge sizing.
- Tighten the die securely to prevent movement during operation.

### **2. Usage:**

- Prepare the cartridge cases by cleaning and inspecting them for defects.
- Insert the cartridge case into the die, ensuring it is aligned properly.
- Operate the reloading press to size the cartridge. Apply steady pressure without forcing the operation.
- Remove the sized cartridge case from the die and inspect it for proper sizing.
- Repeat the process for additional cartridge cases as necessary.

## **Disposal Instructions**

- Dispose of any used or damaged dies in accordance with local regulations.
- Do not discard dies in regular household waste.

- Contact your local waste disposal authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the SMALL BASE BODY DIE or safety concerns, please contact the manufacturer or your local distributor. Ensure that you have the product information and any relevant details ready for assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience with your SMALL BASE BODY DIES REDDING SMALL BASE BODY DIE 284 WINCHESTER. Thank you for prioritizing safety in your reloading practices.
