# Redding Shellholder Set Safety Instructions

## Introduction

Thank you for choosing the Redding Shellholder Set. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual thoroughly before use to understand how to operate the shellholder set safely and responsibly.

## General Safety Guidelines

- Always read and follow the manufacturer's instructions carefully.
- Ensure that the shellholder set is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the shellholder set for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about any recall updates by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the shellholder set only with compatible reloading equipment.
- Do not exceed the recommended load limits for your reloading equipment.
- Wear appropriate safety gear, including eye protection, when using the shellholder set.
- Ensure that your workspace is clean and organized to prevent accidents.
- Avoid distractions while using the shellholder set to maintain focus.
- Do not modify the shellholder set or use it for purposes other than intended.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is properly set up and secured.
- Select the appropriate shellholder from the set (1, 6, 10, 12, 18, or 19) based on your reloading needs.
- Insert the selected shellholder into the reloading press, ensuring it is seated securely.

### 2. Usage:

- Follow the reloading press instructions for operating the equipment safely.
- Always check that the shellholder is properly aligned with the press before beginning the reloading process.
- After reloading, remove the shellholder from the press and inspect it for any signs of damage or wear.

## Disposal Instructions

- Dispose of any damaged or worn shellholders in accordance with local regulations.
- Do not throw the shellholder set in regular household waste.
- Check with local recycling centers for proper disposal methods for metal and plastic components.

## Contact Information for Further Support

For further support or inquiries regarding the Redding Shellholder Set, please contact your local distributor or retailer. Ensure that you have the product information available for assistance.

Thank you for following these safety instructions. Your safety and satisfaction are our priority. Enjoy using your Redding Shellholder Set responsibly!
