

COMPETITION SHELLHOLDER SETS - REDDING #7 COMPETITION SHELLHOLDER SET

[Reloading](#) > [Shellholders & Shellplates](#)

Redding's five piece shellholder set is designed so you can adjust your headspace by selecting the appropriate thickness Redding shellholder. The five shellholders are $+.002"$, $+.004"$, $+.006"$, $+.008"$, and $+.010"$ thicker than normal shellholders ($.125"$ from the bottom of the case head cut to the top of the shellholder). Each shellholder is clearly marked and has a black oxide finish to distinguish them from normal shellholders. Comes packaged in a 6 position storage box leaving an empty space for your regular shellholder. View Redding Shellholder Chart.

Safety Instruction Guide for Redding Competition Shellholder Sets

Introduction

Thank you for choosing the Redding Competition Shellholder Set. This guide provides important safety information to ensure the safe and effective use of this product. Please read and follow these instructions carefully to avoid potential hazards.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle shellholders with care to avoid injury.
- Keep the product away from children and vulnerable individuals.
- Inspect the shellholders for any signs of damage before use.
- If you notice any irregularities or defects, discontinue use immediately and report the issue.

Specific Safety Precautions for Use

- Use the shellholders only with compatible cartridges: 6.5 x 55 mm Swedish Mauser, 7.5 x 55 mm Swiss, and 45 Winchester Magnum.
- Do not exceed the manufacturer's recommended thickness when selecting a shellholder.
- Ensure that your reloading equipment is in good working condition before using the shellholders.
- Avoid using excessive force when installing or removing shellholders to prevent damage or injury.
- Store the shellholders in a secure location to prevent accidental access by children or pets.

Instructions for Installation and Usage

1. Select the Appropriate Shellholder:

- Choose the shellholder that corresponds to the desired thickness for your cartridge. The available options are:
 - +.002"
 - +.004"
 - +.006"
 - +.008"
 - +.010"

2. Install the Shellholder:

- Ensure that your reloading press is turned off and disconnected from any power source.
- Insert the selected shellholder into the reloading press according to the manufacturer's instructions.
- Ensure that the shellholder is securely in place before proceeding.

3. Using the Shellholder:

- Place the cartridge case into the shellholder.
- Follow the reloading process as per your equipment's instructions.
- Monitor the process closely to ensure that everything is functioning correctly.

4. After Use:

- Remove the cartridge case from the shellholder.
- Clean the shellholder if necessary, following the manufacturer's cleaning recommendations.
- Store the shellholders in the provided storage box, ensuring they are organized and secure.

Disposal Instructions

- Dispose of any damaged or worn shellholders in accordance with local regulations.
- Do not dispose of shellholders in regular household waste if they are deemed hazardous.
- Check with local authorities for proper disposal methods for metal products.

Contact Information for Further Support

For any inquiries or concerns regarding the Redding Competition Shellholder Set, please refer to the contact information provided on the packaging or visit the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Redding Competition Shellholder Set. Thank you for your attention to these important guidelines.
