# Safety Instruction Guide for Redding Neck Sizing Die Set 730 Waters

## Introduction

Thank you for choosing the Redding Neck Sizing Die Set 730 Waters. This guide is designed to provide you with essential safety instructions and usage information to ensure a safe and effective experience with your product. Please read this guide carefully before using the die set.

## General Safety Guidelines

- Ensure that the product is used strictly as intended.
- Always wear appropriate safety gear, including eye protection, when using the die set.
- Keep the die set and all related tools out of reach of children and vulnerable individuals.
- Regularly inspect the die set for any signs of wear or damage before use.
- Do not modify or tamper with the die set in any way.
- If you notice any malfunction or damage during use, stop immediately and seek assistance.

## Specific Safety Precautions for Use

- Always follow the manufacturer's instructions for installation and usage.
- Use the die set in a wellventilated area to avoid inhalation of any dust or particles.
- Ensure that your work area is clean and free from clutter to prevent accidents.
- Handle all components with care to avoid injury.
- Be cautious of sharp edges and points on the die set.
- Keep your hands and other body parts clear of moving parts during operation.

## Instructions for Installation and Usage

### 1. Installation:

- Securely mount the die set in a compatible reloading press following the manufacturer's instructions.
- Make sure the decapping rod assembly and neck expander button are properly attached before use.

### 2. Usage:

- Begin by preparing your brass cases according to standard reloading procedures.
- Insert the brass case into the neck sizing die.
- Operate the press smoothly and steadily to resize the neck of the case.
- Use the seating die to insert the bullet into the prepared case, ensuring proper alignment.
- Adjust the crimp ring as necessary to achieve the desired crimp on the bullet.
- After use, clean the die set and store it in a safe place.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- For the die set, if it becomes unusable, check with local waste management for proper disposal methods.
- Do not dispose of the die set in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of your Redding Neck Sizing Die Set, please refer to the manufacturer's contact information provided with your product packaging or on their official website.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your Redding Neck Sizing Die Set 730 Waters. Always prioritize safety and adhere to all guidelines provided. Thank you for choosing Redding products.
