

# FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS - 6 XC FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. A full length two die set is the die set beginning reloaders should start with, and the die set most hunters and many target shooters use every time they reload their cases. These Forster full length die sets include a full length sizing die and the Forster Bench Rest seater die. Forster full length sizers feature hand polishing and the E-Z case neck expander system - a Forster exclusive. NATIONAL MATCH DIES reduce headspace by .003" and are intended for bolt action target rifles only.

## Attributes

- Name: [6 XC FULL LENGTH DIE SET](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 749006756
- Mfr. No.: 004261
- Cartridge: 6 mm XC
- Diameter (in): -
- Die Style: -
- Delivery weight: 0.658kg
- Shipping height: 56mm
- Shipping width: 130mm

# Safety Instruction Guide for FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS 6 XC

## Introduction

Thank you for choosing the Forster FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS 6 XC. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before use to understand the safety precautions and proper handling of the die set.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always wear appropriate safety gear, such as safety glasses, when reloading.
- Keep the work area clean and welllit to avoid accidents.
- Store the die set in a secure location away from children and pets.
- Regularly inspect your equipment for any signs of wear or damage before use.
- Follow all local laws and regulations regarding reloading and ammunition.

## Specific Safety Precautions for Use

- Handle all reloading components with care to avoid spills and accidents.
- Avoid using the die set if you are tired or under the influence of alcohol or drugs.
- Ensure that the die set is properly secured in your reloading press before use.
- Do not exceed recommended load data provided by reputable sources.
- Use caution when resizing cases, as excessive force can lead to equipment failure.
- Be aware of the potential for lead exposure and take necessary precautions, such as washing hands after handling lead materials.

## Instructions for Installation and Usage

### 1. Unpacking the Die Set

- Carefully remove the die set from its packaging.
- Inspect all components for any damage or defects before use.

### 2. Setting Up the Die Set

- Secure the fulllength sizing die in your reloading press according to the manufacturer's instructions.
- Install the Forster Bench Rest seater die in the same manner.

### 3. Using the Full Length Sizing Die

- Insert the empty case into the sizing die.
- Operate the reloading press to resize the case, ensuring it is fully seated in the die.
- Remove the resized case from the die and inspect it for proper sizing.

### 4. Using the Bench Rest Seater Die

- Place the powdercharged case into the seater die.
- Insert the bullet into the case mouth and operate the press to seat the bullet to the desired depth.
- Check the overall length of the finished cartridge to ensure it meets specifications.

### 5. PostUse Care

- Clean the die set after each use to remove any residue or debris.
- Store the die set in a dry, secure location to prevent damage.

## **Disposal Instructions**

- Dispose of any used or damaged components in accordance with local regulations.
- Do not throw away lead components in regular trash; check for local hazardous waste disposal options.
- Ensure that all packaging materials are recycled or disposed of properly.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the Forster FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS 6 XC, please refer to the EUbased contact point provided with your product.

## **Conclusion**

Following these safety instructions will help ensure a safe and effective reloading experience. Always prioritize safety and adhere to best practices when using the Forster die set. Thank you for your attention to these guidelines.
