

FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS - 30-06 SPRINGFIELD FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. A full length two die set is the die set beginning reloaders should start with, and the die set most hunters and many target shooters use every time they reload their cases. These Forster full length die sets include a full length sizing die and the Forster Bench Rest seater die. Forster full length sizers feature hand polishing and the E-Z case neck expander system - a Forster exclusive. NATIONAL MATCH DIES reduce headspace by .003" and are intended for bolt action target rifles only.

Attributes

- Name: [30-06 SPRINGFIELD FULL LENGTH DIE SET](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 749006777
- Mfr. No.: 004521

Safety Instruction Guide for FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS 3006 SPRINGFIELD FULL LENGTH DIE SET

Introduction

Thank you for choosing the Forster Bench Rest Reloading Dies. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this guide carefully before using the product to avoid any potential hazards.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that the workspace is clean and organized to prevent accidents.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Keep the dies and reloading components out of reach of children and unauthorized individuals.
- Regularly inspect the die set for any signs of wear or damage before each use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Handling:** Always handle the dies with care to prevent injury. Avoid using excessive force when tightening or loosening components.
- **Storage:** Store the die set in a dry and secure location to prevent rust and damage. Use the original packaging or a dedicated storage case.
- **Compatibility:** Ensure that the die set is compatible with the specific cartridge you are using. This die set is designed for 3006 Springfield cartridges only.
- **Reloading Process:** Follow safe reloading practices, including:
 - Doublechecking powder and bullet weights.
 - Avoiding distractions while reloading.
 - Using the correct tools and techniques for resizing and seating bullets.
- **Heat Treatment:** Be aware that the dies are heat-treated. Avoid exposing them to extreme temperatures or rapid temperature changes.

Instructions for Installation and Usage

1. Installation:

- Secure the die in a reloading press according to the manufacturer's instructions.
- Ensure the die is tightened properly to prevent movement during use.
- Adjust the die height according to your specific reloading setup.

2. Usage:

- Begin by resizing the cartridge cases using the fulllength sizing die. Follow the provided instructions for proper sizing techniques.
- After resizing, use the Forster Bench Rest seater die for seating bullets. Ensure that the bullet is seated correctly and to the desired depth.
- Regularly check the dimensions of the resized cases to ensure they meet specifications.

3. PostUse:

- Clean the dies after each use to remove any residue or debris.
- Inspect the dies for any signs of wear or damage before storing them.

Disposal Instructions

- Dispose of any damaged or unusable components according to local regulations.
- Do not dispose of reloading materials in regular household waste. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the product, please reach out to the manufacturer or authorized dealer for assistance. Ensure that you have your product information available when seeking support.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and enjoyable reloading experience with your Forster Bench Rest Reloading Dies.
