

# FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS - FORSTER PRODUCTS, INC. 308 WINCHESTER NATIONAL MATCH FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. A full length two die set is the die set beginning reloaders should start with, and the die set most hunters and many target shooters use every time they reload their cases. These Forster full length die sets include a full length sizing die and the Forster Bench Rest seater die. Forster full length sizers feature hand polishing and the E-Z case neck expander system - a Forster exclusive. NATIONAL MATCH DIES reduce headspace by .003" and are intended for bolt action target rifles only.

Bench Rest? Seater & Full Length Die Set 308 National Match

# Safety Instruction Guide for FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS

## Introduction

Thank you for choosing the FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS by Forster Products, Inc. This guide provides essential safety instructions and guidelines to ensure the safe use of the 308 Winchester National Match Full Length Die Set. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that you use this product only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using this product.
- Keep the work area clean and welllit to avoid accidents.
- Store the die set in a secure location, out of reach of children and pets.
- Regularly inspect the product for wear or damage before use. Do not use if any parts are damaged.
- Be aware of your surroundings and ensure that no unauthorized individuals are in the vicinity while you are using the die set.

## Specific Safety Precautions for Use

- Always read and follow the instructions provided with the die set.
- Avoid using the die set if you are under the influence of drugs, alcohol, or medications that may impair your judgment.
- Do not modify the die set or use it in a manner not specified by the manufacturer.
- Ensure that the die set is securely mounted and stable before use.
- Keep hands and clothing away from moving parts during operation.
- Use only compatible cartridges with the die set to avoid malfunctions.

## Instructions for Installation and Usage

### 1. Installation:

- Begin by selecting a stable work surface free from clutter.
- Ensure that the reloading press is securely mounted to the workbench.
- Attach the fulllength sizing die to the press according to the manufacturer's instructions.
- Adjust the die to the desired height for the specific cartridge being used.

### 2. Usage:

- Prepare the cartridge cases by cleaning and inspecting them for damage.
- Lubricate the cases as needed to ensure smooth sizing.
- Insert the cartridge case into the die and operate the press according to the instructions provided.
- After sizing, remove the cartridge case and inspect it for proper sizing.
- Follow the same procedure for the bench rest seater die, ensuring that you are using the correct bullet seating depth.

### 3. PostUsage:

- Clean the die set after use to prevent corrosion and ensure longevity.
- Store the die set in a protective case or container when not in use.

## **Disposal Instructions**

- Dispose of any damaged or wornout components in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in regular household waste; check for specific disposal guidelines in your area.

## **Contact Information for Further Support**

For any safety inquiries or support related to the FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS, please refer to the EU contact point provided with the product packaging for assistance.

By following these safety instructions, you can ensure a safe and effective experience while using the FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS by Forster Products, Inc. Thank you for your attention to safety!
