Redding Neck Sizing Die Set Safety Instructions

Introduction

Thank you for choosing the Redding Neck Sizing Die Set for your reloading needs. This guide provides essential safety instructions and usage information to ensure your safety and the proper functioning of the product.

General Safety Guidelines

- Always read and understand all instructions before using the product.
- Ensure that the workspace is clean, welllit, and free from distractions.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling reloading materials.
- Keep the dies and reloading components out of reach of children and unauthorized individuals.
- Regularly inspect the dies for any signs of wear or damage before use.
- Follow all local regulations regarding the handling and use of ammunition components.

Specific Safety Precautions for Use

- Handle all reloading components with care to avoid spills and accidents.
- Ensure that the press and dies are securely mounted before use.
- Do not exceed recommended load specifications for the cartridges.
- Use only compatible cartridges with the Redding Neck Sizing Die Set.
- Always keep the work area dry to prevent slips and falls.
- In case of accidental spills, clean up immediately and dispose of materials safely.

Instructions for Installation and Usage

1. Installation of the Dies

- Securely mount the reloading press on a stable workbench.
- Carefully insert the Neck Sizing Die into the press according to the manufacturer's instructions.
- Attach the decapping rod assembly with the neck expander button to the Neck Sizing Die.
- Install the Seating Die, ensuring the bullet guide and crimp ring are correctly positioned.

2. Using the Neck Sizing Die

- Ensure the press is in the correct position for sizing the neck of the cartridge.
- Insert the case into the die and pull the handle down smoothly to size the neck.
- Remove the sized case and inspect it for proper sizing.

3. Using the Seating Die

- Place a bullet into the case mouth and insert the case into the Seating Die.
- Pull the handle down to seat the bullet to the desired depth.
- Check the crimp ring to ensure proper crimping of the bullet.

4. PostUse Care

- Clean the dies after each use to remove any residue or debris.
- Store the dies in a dry, secure location when not in use.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste.
- Follow local guidelines for the disposal of hazardous materials.

Contact Information for Further Support

For any inquiries or concerns regarding the Redding Neck Sizing Die Set, please refer to the contact information provided with the product packaging or visit the manufacturer's website.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your reloading experience!
