

# INSTANT INDICATORS - REDDING INSTANT INDICATOR/223 WSSM

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

**REDDING INSTANT INDICATORS** The Redding Instant Indicator is a precision made tool that allows a hand loader to quickly compare headspace and bullet seating depth within .001". The Instant Indicator provides an extremely quick method for comparing bullets, seating depths, fired cases, sized cases, trim lengths and loaded ammunition for uniformity. Easily perform any of the following tasks:

**FEATURES:** Sort bullets for uniformity Sort cases fired in two or more rifles Sort sized cases for uniformity Set up sizing die correctly Compare sized cases to fired cases to determine the amount of headspace Check uniformity of shoulder bump Check bullet seating depth uniformity Sort loaded ammunition for uniformity Determine when cases need trimming Check trim length uniformity Instructions Included Supplied with one bore diameter bushing, surface contactor, shoulder contactor, headspace gauge and complete instructions. The Instant Indicator fits the cartridge listed in the description, however it may be used for a family of cartridges with the same shoulder angle.

## Attributes

- Name: [REDDING INSTANT INDICATOR/223 WSSM](#)
- Manufacturer: [REDDING](#)
- Product no.: 749007143
- Mfr. No.: 17295
- Caliber: -
- Cartridge: 223 WSSM (Winchester Super Short Mag)
- Delivery weight: 0.454kg
- Shipping height: 41mm
- Shipping width: 112mm
- Shipping length: 152mm
- UPC: 611760172953

# Redding 223 WSSM Instant Indicator Safety Instruction Guide

## Introduction

Thank you for choosing the Redding 223 WSSM Instant Indicator. This precision tool is designed to assist hand loaders in measuring headspace and bullet seating depth accurately. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for use.
- Keep the tool out of reach of children and unauthorized users.
- Inspect the tool before each use to ensure it is in good working condition.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the Instant Indicator in a welllit and stable environment to prevent accidents.
- Avoid using the tool if you are tired or under the influence of substances that may impair your judgment.
- Wear appropriate safety gear, such as safety glasses, when using the tool to protect your eyes.
- Do not force the tool beyond its designed capabilities; this may lead to damage or personal injury.
- Ensure that all components are securely attached before use.
- Be cautious of sharp edges and moving parts during operation.

## Instructions for Installation and Usage

### 1. Setup

- Unbox the Redding 223 WSSM Instant Indicator and ensure all components are present:
  - One bore diameter bushing
  - Surface contactor
  - Shoulder contactor
  - Headspace gauge
  - Dial indicator
  - Complete instructions
- Place the Instant Indicator on a stable, flat surface.

### 2. Using the Tool

- **Sorting Bullets:** Place the bullets in the appropriate holders and use the gauge to compare for uniformity.
- **Sorting Cases:** Use the Instant Indicator to compare fired cases from different rifles and sized cases for uniformity.
- **Setting Up Sizing Die:** Follow the instructions to set up the sizing die correctly.
- **Comparing Cases:** Use the headspace gauge to compare sized cases to fired cases to determine the amount of headspace.
- **Checking Shoulder Bump:** Measure the uniformity of the shoulder bump using the provided components.
- **Checking Bullet Seating Depth:** Use the dial indicator to check the uniformity of bullet seating depth.

- **Sorting Loaded Ammunition:** Ensure uniformity of loaded ammunition by measuring each round.
- **Trimming Cases:** Determine when cases need trimming and check trim length uniformity.

### 3. Maintenance

- Clean the tool after each use to prevent buildup of dirt and debris.
- Store the tool in a dry place, away from moisture and extreme temperatures.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact local waste management for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's contact information provided with the product. It is important to have access to assistance for any safety concerns or questions regarding the use of the Redding 223 WSSM Instant Indicator.

By following these safety instructions, you can ensure a safe and effective experience while using the Redding 223 WSSM Instant Indicator. Thank you for your attention to safety.
