

COMPETITION SEATER DIES - REDDING 223 WSSM BULLET SEATING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

We feel the Redding Competition Bullet Seater is the best bullet 7/8-14 bullet seater on the market today. The machining is precise, and the sliding chamber is the smoothest we have ever experienced in a seater. This micrometer-adjustable die is calibrated in .001" increments for precise seating depth adjustments and is infinitely adjustable (no clicks). It also has a zero set feature that allows you to zero the micrometer to your favorite seating depth. Sold separately or as part of a set. Also available for handgun and straight wall cartridges.

Safety Instruction Guide for Redding Competition Seater Die

Introduction

Thank you for choosing the Redding Competition Seater Die for your reloading needs. This guide provides essential safety information to ensure the safe and effective use of the product. Please read this manual carefully before use and keep it for future reference.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate safety gear, including safety glasses and gloves, when reloading ammunition.
- Keep the die and all reloading equipment out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that the area is wellventilated when using the die.
- Regularly inspect the die for any signs of wear or damage before each use.
- Do not use the die for any purpose other than its intended use.

Specific Safety Precautions for Use

- **Hazard Identification:** The die may produce sharp edges during use. Handle with care. Improper adjustments may result in incorrect bullet seating, leading to ammunition failure.
- **Avoiding Hazards:** Always ensure the die is securely mounted before use. Do not exceed the maximum recommended pressure for your ammunition.
- **Age Restrictions:** This product is not intended for use by individuals under the age of 18. Ensure that all users are of legal age and have received proper training.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is clean and free from debris.
- Securely mount the Redding Competition Seater Die in the reloading press following the manufacturer's instructions.
- Adjust the die height according to the specifications for the 223 WSSM cartridge.

2. Usage:

- Set the micrometer to your desired seating depth. The die is calibrated in .001" increments for precision.
- Insert the bullet into the die and apply pressure to seat the bullet into the cartridge case.
- After seating, check the overall length of the cartridge to ensure it meets your specifications.
- Store the die in a safe place when not in use to prevent damage.

Disposal Instructions

- Dispose of the die according to local regulations. Do not throw the die in regular trash if it is damaged or defective.
- Check with local authorities for proper disposal methods for metal products.

Contact Information for Further Support

For further support and inquiries regarding safety or product usage, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.
