

# 3BR MATCH-GRADE POWDER MEASURE - 3BR POWDER MEASURE W/RIFLE INSERT

[Reloading](#) > [Powder Handling](#) > [Powder Measures & Dispensers](#)

The Match-Grade Model 3BR was created to be the ultimate powder measure... "out of the box" match ready! Since its creation this powder measure has been helping Silhouette shooters and Benchrest Shooters win matches and set new records. It all started with the time proven accuracy and reliability of the original Model 3 Powder Measure. The Model 3BR Powder Measure utilizes all of the features of the original Model 3 and to that Redding added the conversion features that Benchrest shooters were looking for. It quickly became their most popular powder measure for two very good reasons... Its broad range of charging capacity and its performance record. Additional Metering Chambers are available. Hangun Metering Chamber has a charge range of 0 to 10 grains. Rifle or Universal Metering Chamber has a charge range of 5 to 100 grains.

# Safety Instruction Guide for 3BR MatchGrade Powder Measure

## Introduction

Thank you for choosing the 3BR MatchGrade Powder Measure. This product is designed to provide precision and reliability for all your reloading needs. To ensure safe and effective use of this powder measure, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the powder measure by following all instructions and safety warnings.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product.
- **Online Shopping:** If purchased online, verify that the seller meets safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by your retailer.
- **Rapid Alerts:** Check the EU's Safety Gate platform for updates on any unsafe products.

## Specific Safety Precautions for Use

- Always read the user manual before using the powder measure.
- Ensure the powder measure is placed on a stable, flat surface during use.
- Never exceed the recommended charge ranges:
  - Handgun Metering Chamber: 0 to 10 grains
  - Rifle or Universal Metering Chamber: 5 to 100 grains
- Avoid using the powder measure in environments with high humidity or extreme temperatures.
- Keep the powder measure clean and free from debris to ensure accurate measurements.
- Do not attempt to disassemble or modify the powder measure.
- Use appropriate personal protective equipment, such as safety glasses, when handling powders.
- Store the powder measure in a secure location when not in use to prevent unauthorized access.

## Instructions for Installation and Usage

### 1. Setup:

- Remove the powder measure from the packaging.
- Inspect the product for any visible damage or defects before use.

### 2. Installation:

- Place the powder measure on a stable, flat surface.
- If using the Rifle or Universal Metering Chamber, ensure it is properly attached to the powder measure.

### 3. Usage:

- Adjust the metering chamber to the desired charge setting within the specified range.
- Pour the powder into the metering chamber.
- Use the lever or mechanism to dispense the powder into your reloading device.
- Always doublecheck the charge weight before proceeding with reloading.

### 4. Cleaning:

- After each use, clean the powder measure to prevent crosscontamination of powders.
- Use a soft brush or cloth to remove any residue from the metering chamber.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the product is no longer usable, follow local guidelines for disposing of electronic or mechanical devices.
- Do not dispose of powders or chemicals in regular household waste. Follow local regulations for hazardous waste disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the 3BR MatchGrade Powder Measure, please refer to the contact information provided by your retailer or manufacturer.

By following these safety instructions, you can ensure a safe and effective experience with your 3BR MatchGrade Powder Measure. Thank you for your commitment to safety and precision in your reloading activities.
