# Safety Instruction Guide for Redding Full Length Die Sets 6MM/22250 Ackley Imp 40

## Introduction

Thank you for choosing the Redding Full Length Die Set 6MM/22250 Ackley Imp 40. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that all nonfood products, including this die set, are used according to the manufacturer's instructions to prevent accidents.
- Be aware of potential risks associated with reloading and using ammunition.
- Regularly check for product recalls on the EU's Safety Gate platform to stay informed about safety updates.
- If you encounter any unsafe products or accidents, report them to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the die set.
- Keep the die set out of reach of children and vulnerable individuals.
- Inspect the die set for any damage or wear before each use.
- Do not exceed the recommended specifications for the die set.
- Ensure that your workspace is clean and free of obstructions to avoid accidents.
- Use the die set only for its intended purpose as specified by the manufacturer.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is compatible with the Redding Full Length Die Set.
- Securely mount the die set in the reloading press as per the manufacturer's guidelines.
- Adjust the die to the desired height and lock it in place.

### 2. Usage:

- Follow the reloading instructions specific to the 6MM/22250 Ackley Imp 40 cartridge.
- Use the full length sizing die to resize the cartridge cases.
- Use the standard seating die to seat the bullets accurately.
- Always check the cartridge dimensions and bullet seating depth before finalizing the reloading process.

## Disposal Instructions

- Dispose of any unused or damaged components of the die set in accordance with local regulations.
- Do not throw the die set or its components in regular trash; instead, use designated recycling or hazardous waste disposal methods.
- Ensure that all packaging materials are disposed of responsibly.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for prioritizing safety while using the Redding Full Length Die Set. Your adherence to these guidelines helps ensure a safe and enjoyable reloading experience.
