

COMPETITION BUSHING NECK DIE SETS - REDDING 6.5MM-284 WINCHESTER COMPETITION BUSHING NECK DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Competition Bushing Neck Die Set includes a Competition Bushing Neck Sizing Die, a Body Die, and a Competition Bullet Seater. Neck Sizing Die and Seater feature micrometer adjustments. Bushings and Shellholder sold separately. Competition Bushing Neck Die - With this die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward while the resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. Body Die -designed to full length resize the case body and bump the shoulder position for proper chambering without disturbing the case neck. Competition Bullet Seater - Tighter manufacturing tolerances have been made possible due to the details of the floating seating stem system. The bullet guide to seating stem fit is so precise that the seating stem can actually be demonstrated to "float"

Redding Competition Bushing Neck Die Set, 6.5 x 284 Win

Redding Competition Bushing Neck Die Set Safety Instructions

Introduction

Thank you for purchasing the Redding Competition Bushing Neck Die Set for 6.5 x 284 Winchester. This product is designed to enhance your reloading experience. Please read this safety instruction guide carefully to ensure safe and effective use of the die set.

General Safety Guidelines

- Always handle the die set with care and keep it out of reach of children.
- Use the die set only for its intended purpose as described in the product specifications.
- Ensure that your work area is clean, welllit, and free from distractions while using the die set.
- Wear appropriate safety gear, including eye protection, when operating the die set.
- Familiarize yourself with the equipment and tools you will be using alongside the die set.
- If you experience any issues or malfunctions, stop using the product immediately and seek assistance.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Sharp edges: The die set contains sharp components that can cause cuts.
- Heavy materials: Be cautious of the weight of the die set when lifting or moving.
- Misuse: Using the die set for purposes other than reloading ammunition can lead to accidents.

- **Avoiding Hazards:**

- Always wear gloves when handling sharp components.
- Use proper lifting techniques to avoid strain or injury.
- Never modify the die set or use it in a way that is not recommended by the manufacturer.

- **AudienceSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that all users are trained in safe reloading practices.

Instructions for Installation and Usage

- **Installation:**

1. Ensure that your reloading press is securely mounted and stable.
2. Carefully unpack the die set and inspect for any damage or missing parts.
3. Follow the manufacturer's instructions to install the die set in your reloading press.
4. Verify that the die set is properly aligned and secured before use.

- **Usage:**

1. Prepare your workspace by organizing tools and materials.
2. Follow the recommended procedures for reloading ammunition using the die set.
3. Monitor your work closely and avoid distractions while reloading.
4. Store the die set in a safe location when not in use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the die set becomes damaged beyond repair, contact local waste disposal services for proper disposal methods.
- Do not dispose of the die set in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries or assistance related to the Redding Competition Bushing Neck Die Set, please refer to the manufacturer's contact points provided with the product packaging.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective reloading experience with the Redding Competition Bushing Neck Die Set. Thank you for your attention to these important safety measures.
