

# COMPETITION BUSHING NECK DIE SETS - REDDING 338 LAPUA MAGNUM COMPETITION BUSHING NECK DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Competition Bushing Neck Die Set includes a Competition Bushing Neck Sizing Die, a Body Die, and a Competition Bullet Seater. Neck Sizing Die and Seater feature micrometer adjustments. Bushings and Shellholder sold separately. Competition Bushing Neck Die - With this die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward while the resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. Body Die -designed to full length resize the case body and bump the shoulder position for proper chambering without disturbing the case neck. Competition Bullet Seater - Tighter manufacturing tolerances have been made possible due to the details of the floating seating stem system. The bullet guide to seating stem fit is so precise that the seating stem can actually be demonstrated to "float"

Redding Competition Bushing Neck Die Set, 338 Lapua Mag

# Redding Competition Bushing Neck Die Set Safety Instructions

## Introduction

Thank you for choosing the Redding Competition Bushing Neck Die Set for your reloading needs. This product is designed to provide precision and reliability for the 338 Lapua Magnum cartridge. In order to ensure your safety and the optimal performance of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure safe use of the Redding Competition Bushing Neck Die Set by following these guidelines:
  - Read all instructions and safety warnings before use.
  - Keep the product out of reach of children and vulnerable individuals.
  - Use the die set only for its intended purpose: reloading 338 Lapua Magnum cartridges.
  - Follow all local laws and regulations regarding ammunition reloading.
  - Store the die set in a secure location when not in use.
  - Regularly inspect the die set for any signs of wear or damage.

## Specific Safety Precautions for Use

- When using the Redding Competition Bushing Neck Die Set, please observe the following precautions:
  - Always wear safety glasses to protect your eyes from debris during the reloading process.
  - Use appropriate hearing protection when operating any equipment related to reloading.
  - Avoid loose clothing and jewelry that may get caught in equipment.
  - Ensure that your workspace is clean and free of obstructions.
  - Do not consume food or beverages in the reloading area to prevent contamination.
  - Be mindful of the components you are using; ensure they are compatible with the die set.

## Instructions for Installation and Usage

- Follow these steps for the proper installation and usage of the Redding Competition Bushing Neck Die Set:

### 1. Installation:

- Ensure your reloading press is securely mounted.
- Remove any existing dies from your reloading press.
- Carefully screw the bushing neck die into the press, ensuring it is tightened securely.
- Adjust the die to the desired position according to your reloading specifications.

### 2. Usage:

- Prepare your cases by cleaning and inspecting them for damage.
- Insert the case into the die and ensure it is seated properly.
- Follow the manufacturer's specifications for bushing selection based on your desired neck tension.
- Operate the press smoothly and steadily, avoiding sudden movements.
- After reloading, inspect each cartridge for proper seating and overall quality.

## **Disposal Instructions**

- Proper disposal of the Redding Competition Bushing Neck Die Set and any related materials is important:
  - If the die set becomes damaged beyond repair, dispose of it in accordance with local regulations for metal recycling.
  - Do not dispose of any hazardous materials related to reloading in regular trash.
  - Check local guidelines for the disposal of any materials that may be considered hazardous.

## **Contact Information for Further Support**

- For any safety inquiries or further support regarding the Redding Competition Bushing Neck Die Set, please refer to the appropriate contact channels established by the manufacturer. Ensure you have the product details ready for efficient assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding Competition Bushing Neck Die Set. Always stay informed about best practices and updates regarding product safety to enhance your reloading activities. Thank you for prioritizing safety in your reloading endeavors.
