Safety Instruction Guide for RCBS Die Lock Rings

Introduction

Thank you for purchasing the RCBS Die Lock Rings. This guide provides essential safety instructions and usage information to ensure the safe operation of this product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the lock rings for any signs of damage or wear before each use.
- Store the lock rings in a dry and safe place, away from children and pets.
- Follow all manufacturer instructions and guidelines for the use of die lock rings.
- Be aware of your surroundings while using this product to prevent accidents or injuries.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use the lock rings only with 7/8"14 dies as specified.
- Ensure that the lock rings are properly tightened before using the dies to prevent slippage.
- Avoid using excessive force when tightening the lock rings, as this may cause damage.
- Do not modify the lock rings in any way, as this may compromise safety.
- Keep hands and body clear of moving parts during use to avoid injury.
- If you are inexperienced with using die lock rings, seek guidance from a knowledgeable person before use.

Instructions for Installation and Usage

1. Installation:

- Ensure that the work surface is stable and clean.
- Select the appropriate die and lock ring.
- Slide the lock ring onto the die and position it at the desired location.
- Tighten the lock ring using a wrench, ensuring it is secure but not overly tight.

2. Usage:

- Once the die is secured with the lock ring, proceed with your reloading process as per the manufacturer's instructions.
- Regularly check the tightness of the lock ring during use to ensure it remains secure.
- If you notice any issues, such as slippage or difficulty in operation, stop using the product immediately and inspect it for damage.

Disposal Instructions

- Dispose of any damaged or worn lock rings in accordance with local regulations.
- Recycle materials whenever possible, following the guidelines for metal recycling in your area.

Contact Information for Further Support

For any questions regarding the safety or usage of the RCBS Die Lock Rings, please consult the manufacturer's website or contact your local retailer for assistance.
