## **Safety Instructions**

### **Introduction**

Thank you for choosing the DIE LOCK RINGS RCBS DIE LOCK RING 5PACK. This guide provides essential safety instructions and usage guidelines to ensure your safety and the proper functioning of the product. Please read this document carefully before using the product.

### **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

### **Specific Safety Precautions for Use**

- Use the lock rings only with 7/8"14 dies from compatible manufacturers.
- Do not exceed the recommended torque specifications during installation.
- Always use appropriate tools to avoid injury when tightening or loosening the lock rings.
- Avoid using damaged or worn lock rings, as they may fail and cause injury.
- Do not modify the product in any way, as this may compromise safety.

### **Instructions for Installation and Usage**

#### **1. Preparation:**

- Gather all necessary tools, including a wrench suitable for the lock rings.
- Ensure your work area is clean and free from distractions.

#### **2. Installation:**

- Align the lock ring with the die and ensure it is seated properly.
- Using the wrench, tighten the lock ring securely but do not overtighten.
- Check that the die is held firmly in place without movement.

#### **3. Usage:**

- When using the die, ensure that the lock ring remains secure throughout the process.
- If you notice any movement or looseness, stop using the die and recheck the lock ring.

#### **4. PostUsage:**

- After use, inspect the lock ring for any signs of wear or damage.
- Store the lock rings in a dry, safe place away from moisture and extreme temperatures.

### **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options if available.

- If the product is damaged, ensure it is disposed of in a way that prevents any risk of injury.

## **Contact Information for Further Support**

For any inquiries related to safety or product usage, please refer to the manufacturer's contact information provided with your purchase.

By following these safety instructions, you can ensure a safe and effective experience with the DIE LOCK RINGS RCBS DIE LOCK RING 5PACK. Thank you for prioritizing safety!
