# MEC Lead Charge Bar Progressive Press Safety Instructions

## Introduction

Thank you for choosing the MEC Lead Charge Bar Progressive Press. This product is designed to help you adjust your shot charge and create the load you desire. To ensure safe and effective use of the MEC Charge Bar, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure you are familiar with the operation of your reloading press before using the MEC Charge Bar.
- Always wear appropriate safety gear, including eye protection and hearing protection, when reloading ammunition.
- Keep the work area clean and organized to prevent accidents.
- Store all reloading components, including the MEC Charge Bar, in a secure location away from children and unauthorized users.
- Regularly inspect the MEC Charge Bar for any signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- Do not exceed the recommended shot charge limits specified for the MEC Charge Bar.
- Always use the correct type of shot (lead or steel) as indicated for your specific charge bar model.
- Ensure the charge bar is properly secured to the reloading press before use.
- Avoid distractions while reloading to maintain focus and attention on the task.
- If you experience any issues or malfunctions, stop using the MEC Charge Bar immediately and consult the user manual or seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is turned off and unplugged (if applicable).
- Remove the existing charge bar from the reloading press by following the manufacturer's instructions.
- Align the MEC Charge Bar with the mounting points on the reloading press.
- Securely fasten the charge bar in place, ensuring it is properly aligned and stable.

### 2. Usage:

- Set the desired shot charge by adjusting the MEC Charge Bar according to the specifications.
- Load the appropriate type of shot into the charge bar.
- Operate the reloading press according to the manufacturer's instructions, ensuring that the MEC Charge Bar functions correctly.
- Monitor the loading process closely to ensure consistent and accurate shot charges.

## Disposal Instructions

- Dispose of the MEC Charge Bar and any associated materials in accordance with local regulations.
- Do not dispose of any reloading components in regular household waste.
- Contact local waste management authorities for guidance on the proper disposal of hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the MEC Lead Charge Bar Progressive Press, please refer to the manufacturer's website or your retailer for assistance. It is important to have access to support for safe and effective use of the product.

By adhering to these safety instructions, you can help ensure a safe and enjoyable experience while using the MEC Lead Charge Bar Progressive Press. Thank you for prioritizing safety in your reloading activities.
