

## 3-IN-1 CASE MOUTH CUTTER - FORSTER PRODUCTS, INC. 0.224" 3-IN-1 PILOT

[Reloading](#) > [Case Preparation](#) > [Case Mouth Chamfering](#)

The 3-In-1 Case Mouth Cutter from Forster creates a perfectly aligned, consistent chamfer on the inside and outside of the case mouth to help ensure benchrest quality handloads. Installs easily over the existing cutter shaft on all Foster Original and Power Case trimmers. Chamfers the inside to a 14° angle that works for both VLD boat tail and standard bullets. Outside is chamfered to a 30° angle, plus is fully adjustable for chamfer length. Long lasting carbide blades hold edge indefinitely with proper care.

# 3IN1 CASE MOUTH CUTTER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the 3IN1 Case Mouth Cutter from Forster Products, Inc. This product is designed to help you achieve precise and consistent chamfers on case mouths for highquality handloads. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the cutter and its components regularly for any signs of wear or damage before use.
- Ensure that your workspace is clean and free from clutter to prevent accidents.
- Use appropriate personal protective equipment (PPE), such as safety glasses, when operating the cutter.
- Do not use the cutter for any purpose other than its intended use.

## Specific Safety Precautions for Use

- **Sharp Blades:** The carbide blades are sharp and can cause cuts. Handle the cutter with care.
- **Stability:** Make sure the trimmer is stable and secure before operating the cutter.
- **Adjustments:** Only adjust the chamfer length when the cutter is not in use.
- **Fingers Away:** Keep your fingers away from the cutting area during operation.
- **Proper Lighting:** Ensure that your working area is welllit to maintain visibility while using the cutter.

## Instructions for Installation and Usage

### 1. Installation:

- Remove any existing cutter from your Forster Original or Power Case trimmer.
- Carefully install the 3IN1 Case Mouth Cutter over the existing cutter shaft.
- Ensure that it is securely attached before proceeding to use.

### 2. Usage:

- Place the case securely in the trimmer.
- Engage the cutter and begin the chamfering process.
- For inside chamfering, the cutter will create a 14° angle. For outside chamfering, it will create a 30° angle.
- Adjust the chamfer length as needed, ensuring that adjustments are made when the cutter is not in operation.
- After use, clean the cutter to maintain the longevity of the carbide blades.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the cutter in regular household waste if it contains sharp blades; follow local hazardous waste guidelines.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the 3IN1 Case Mouth Cutter, please refer to the manufacturer's contact information provided with your product packaging.

Please ensure you follow these safety instructions to maximize the benefits of your 3IN1 Case Mouth Cutter while minimizing risks. Thank you for your attention to safety!
