

# 3-IN-1 CASE MOUTH CUTTER - FORSTER PRODUCTS, INC. 0.243" 3-IN-1 PILOT

[Reloading](#) > [Case Preparation](#) > [Case Mouth Chamfering](#)

The 3-In-1 Case Mouth Cutter from Forster creates a perfectly aligned, consistent chamfer on the inside and outside of the case mouth to help ensure benchrest quality handloads. Installs easily over the existing cutter shaft on all Foster Original and Power Case trimmers. Chamfers the inside to a 14° angle that works for both VLD boat tail and standard bullets. Outside is chamfered to a 30° angle, plus is fully adjustable for chamfer length. Long lasting carbide blades hold edge indefinitely with proper care.

3-in-1 Case Mouth Cutter with .243 Pilot (for 6mm)

## Attributes

- Name: [FORSTER PRODUCTS, INC. 0.243" 3-IN-1 PILOT](#)

# 3IN1 CASE MOUTH CUTTER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the 3IN1 Case Mouth Cutter with .243 Pilot from Forster Products, Inc. This tool is designed for precision case mouth chamfering and trimming for reloading ammunition. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Keep the product out of reach of children and unauthorized users.
- Inspect the tool before each use for any signs of damage or wear.
- Do not use the tool if it appears to be defective.
- Ensure a clean and organized workspace to prevent accidents.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, while using the cutter.
- Be aware of your surroundings and avoid distractions while operating the tool.

## Specific Safety Precautions for Use

- **Cutting Hazard:** The cutter blades are sharp. Handle with care to avoid cuts and injuries.
- **Eye Protection:** Always wear safety goggles to protect your eyes from flying debris.
- **Work Surface:** Use the cutter on a stable and secure surface to prevent slipping.
- **Personal Protective Equipment:** Gloves should be worn to protect hands from sharp edges.
- **Avoid Loose Clothing:** Ensure that clothing, jewelry, or hair do not come into contact with moving parts.
- **Do Not Force the Tool:** Use the tool as intended. Forcing it may lead to breakage or injury.
- **Keep Hands Clear:** Always keep your hands away from the cutting area while in use.

## Instructions for Installation and Usage

### 1. Setup:

- Ensure the cutter is placed on a stable, flat surface.
- If applicable, attach the cutter securely to a bench or work surface using clamps.

### 2. Using the Cutter:

- Adjust the cutter to the desired depth for chamfering or trimming.
- Insert the case into the cutter, ensuring it is aligned properly.
- Rotate the handle smoothly to engage the cutting blades.
- Apply steady pressure without forcing the tool.
- After cutting, carefully remove the case and inspect for proper trimming.

### 3. Maintenance:

- Clean the cutter after each use to remove any debris.
- Store the cutter in a dry place to prevent rust and damage.
- Regularly check the blades for wear and replace them if necessary.

## Disposal Instructions

- Dispose of the cutter responsibly according to local regulations.
- If the cutter is damaged beyond repair, ensure it is disposed of in a manner that prevents injury to others.
- Recycle components where possible, following local recycling guidelines.

## Contact Information for Further Support

For any inquiries regarding the safety, use, or maintenance of this product, please contact Forster Products, Inc. through the provided customer service channels.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience using the 3IN1 Case Mouth Cutter. Always prioritize safety and adhere to all guidelines to prevent accidents and injuries. Thank you for your purchase, and we wish you safe and successful reloading!
