# Safety Instruction Guide for BUSHING BUMP NECK SIZING BUSHINGS

## Introduction

Thank you for choosing the Forster Bushing Bump Neck Sizing Bushings. This guide provides essential safety instructions and information to ensure safe usage and compliance with EU General Product Safety Regulations (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only with Forster Precision Plus Bushing Bump Dies.
- Do not attempt to use these bushings with other brands, as they are not interchangeable.
- Keep the bushings out of reach of children and vulnerable individuals.
- Regularly inspect the bushings for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling the bushings.
- Ensure that the work area is clean and free from obstructions to prevent accidents.
- Follow all manufacturer instructions when using the bushings to avoid potential hazards.
- Do not exceed the recommended sizing limits as specified by Forster.
- If you experience any unusual resistance or difficulty during use, stop immediately and inspect the equipment.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and equipment before starting.
- Ensure that the Forster Precision Plus Bushing Bump Die is properly set up.

### 2. Installation:

- Carefully insert the Forster bushing into the die, ensuring it is seated correctly.
- Tighten any screws or clamps to secure the bushing in place.

### 3. Usage:

- Begin the neck sizing process according to the instructions provided with the Forster Precision Plus Bushing Bump Die.
- Monitor the operation closely to ensure safe and effective sizing.
- After use, remove the bushing from the die and inspect for wear or damage.

### 4. PostUsage Care:

- Clean the bushing with a soft cloth to remove any debris or residue.
- Store the bushings in a dry, safe place, away from children and pets.

## **Disposal Instructions**

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of bushings in household waste. Check for recycling options or hazardous waste disposal facilities in your area.

## **Contact Information for Further Support**

For more information or assistance regarding the Forster Bushing Bump Neck Sizing Bushings, please consult the manufacturer's website or customer support services.

By following these safety guidelines and instructions, you will ensure a safe and effective experience with your Forster Bushing Bump Neck Sizing Bushings. Thank you for your attention to safety and compliance.
