Safety Instruction Guide for RCBS Progressive Press Shell Plate #34

Introduction

Thank you for choosing the RCBS Progressive Press Shell Plate #34. This product is designed to enhance your reloading experience with the Pro 2000 Progressive Press. To ensure your safety and the safety of others while using this product, please read and follow the guidelines outlined in this document.

General Safety Guidelines

- Always read and understand the product manual before use.
- Ensure that the workspace is clean, dry, and free from hazards.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose.
- Inspect the product for any damage before use. Do not use if damaged.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use proper eye protection when operating the press.
- Ensure that your hands are dry when handling the shell plate.
- Do not exceed the recommended load limits for the press.
- Keep hands and clothing away from moving parts while in operation.
- Avoid wearing loose clothing or jewelry that may become caught in the machinery.
- Use the product in a well-ventilated area to avoid inhalation of any dust or particles.
- Follow all local laws and regulations regarding the handling and storage of ammunition components.

Instructions for Installation and Usage

1. Installation

- Ensure that the Pro 2000 Progressive Press is unplugged and not in operation.
- Locate the shell plate holder on the press.
- Align the shell plate #34 with the holder, ensuring that it fits securely.
- Lock the shell plate into place according to the manufacturer's instructions.

2. Usage

- Prepare your workspace by organizing all necessary tools and components.
- Load the shell plate with the appropriate cases, ensuring they are seated correctly.
- Operate the press according to the manufacturer's instructions, maintaining a steady and controlled motion.
- Monitor the operation for any unusual noises or resistance, and stop immediately if any issues arise.

Disposal Instructions

- Dispose of any damaged or wornout parts in accordance with local regulations.
- Do not dispose of the shell plate in regular household waste. Check for local recycling programs or hazardous waste disposal options.
- Ensure that all components are stored safely until disposal to prevent accidents.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the RCBS Progressive Press Shell Plate #34, please refer to the manufacturer's contact details provided in the product manual or on the official website.

Thank you for prioritizing safety and responsible use of your RCBS Progressive Press Shell Plate #34. Your adherence to these guidelines helps ensure a safe and enjoyable reloading experience.
