# Safety Instructions for RCBS Progressive Press Shellplate #41

## Introduction

Thank you for choosing the RCBS Progressive Press Shellplate #41. This product is designed for use with the Pro 2000 Progressive Press and is intended to enhance your reloading experience. To ensure your safety and the proper functioning of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always ensure that the workspace is clean and free from hazards.
- Use the product only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the shellplate is properly secured to the press before use.
- Do not overload the press beyond its specified capacity.
- Always wear appropriate safety gear, including safety glasses, when operating the press.
- Avoid placing hands or fingers near moving parts during operation.
- Be aware of the potential for ejected components and maintain a safe distance.
- If you experience any issues while using the product, stop immediately and consult the user manual or contact support.

## Instructions for Installation and Usage

### 1. Installation:

- Unpack the shellplate and inspect it for any damage.
- Ensure that your Pro 2000 Progressive Press is turned off and unplugged.
- Align the shellplate with the mounting points on the press.
- Secure the shellplate using the provided screws, ensuring it is tightly fastened.

### 2. Usage:

- Load the appropriate caliber of cases into the shellplate.
- Set the press to the desired operation mode.
- Follow the manufacturer's instructions for reloading, ensuring that all components are correctly positioned.
- Monitor the reloading process closely for any irregularities.

## Disposal Instructions

- Dispose of any packaging materials responsibly by recycling where possible.
- If the shellplate is damaged beyond use, dispose of it in accordance with local regulations for metal products.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the RCBS Progressive Press Shellplate #41, please refer to the official RCBS website or contact their support team for guidance.

By following these safety instructions, you will ensure a safer reloading experience with your RCBS Progressive Press Shellplate #41. Thank you for prioritizing safety in your reloading activities.
