# Safety Instruction Guide for T7 Turret Press Redding Extra Slide Bar Priming Arm

## Introduction

Thank you for choosing the T7 Turret Press by Redding. This guide provides essential safety instructions to ensure the safe and effective use of your new product. Please read this manual thoroughly before operating the T7 Turret Press.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the workspace clean and organized to prevent accidents.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves.
- Keep children and pets away from the workspace during operation.
- Regularly inspect the press for any signs of wear or damage before use.
- In case of any malfunction, cease operation immediately and consult a professional.

## Specific Safety Precautions for Use

- Always follow the manufacturer's instructions for setup and operation.
- Do not exceed the recommended load limits of the press.
- Ensure that all dies are properly installed and secured before use.
- Avoid wearing loose clothing or jewelry that could become caught in moving parts.
- Do not operate the press while under the influence of drugs, alcohol, or medication that may impair your ability to operate machinery.
- Be aware of your surroundings and ensure that no one is in close proximity while operating the press.

## Instructions for Installation and Usage

### Installation

1. **Choose a Stable Surface:** Select a sturdy, flat surface for installation.
2. **Secure the Press:** Use bolts or clamps to secure the press to the workbench to prevent movement during operation.
3. **Attach the Turret Head:** Follow the manufacturer's instructions to attach the turret head securely.
4. **Install the Primer Feed Assembly:** If using the Automatic Primer Feed Assembly, refer to its specific installation instructions.

### Usage

1. **Prepare Materials:** Gather all necessary components, including dies, primers, and cases.
2. **Set Up the Turret:** Insert the desired dies into the turret head and ensure they are tightened securely.
3. **Adjust the Ram:** Set the ram to the correct height for your operation, following the manufacturer's guidelines.
4. **Load Primers:** If using the Automatic Primer Feed, load primers as per the assembly instructions.
5. **Start Operation:** Begin the reloading process, ensuring to maintain focus and follow safety precautions throughout.

## Disposal Instructions

- Dispose of any packaging materials according to local regulations.
- If the product reaches the end of its life cycle, dispose of it in an environmentally friendly manner.

adhering to local electronic waste disposal guidelines.

## Contact Information for Further Support

For questions or concerns regarding safety, operation, or maintenance, please consult the manufacturer's website or contact their customer support for assistance.

## Conclusion

Your safety is paramount when using the T7 Turret Press. By following these guidelines and instructions, you can ensure a safe and efficient reloading experience. Always prioritize safety and do not hesitate to seek help if you encounter any issues. Thank you for your attention to these important safety measures.
