# Safety Instruction Guide for Sinclair Bullet Sorting Stand

## Introduction

Thank you for choosing the Sinclair Bullet Sorting Stand. This guide provides essential safety instructions and information to ensure the safe and effective use of the product. Please read this guide carefully before using the stand to avoid any risks associated with its use.

## General Safety Guidelines

- Product Safety:** The Sinclair Bullet Sorting Stand is designed to be safe for use. Always ensure that you follow the instructions provided to minimize risks.
- Enhanced Recalls:** In the unlikely event of a product recall, you will be notified through standardized recall notices. Please stay informed about any updates regarding product safety.
- Online Shopping:** If purchased online, you are entitled to the same safety protections as if you bought the product from a physical store.
- Special Consumer Focus:** Extra precautions should be taken if children or vulnerable individuals are present during the use of this product.
- EU Contact Point:** For safety inquiries, please refer to the designated EU contact point for this product.
- Rapid Alerts:** Stay updated on product safety by checking the EU's Safety Gate platform for any alerts regarding unsafe products.

## Specific Safety Precautions for Use

- Avoid Overloading:** Do not overload the Bullet Sorting Stand with excessive weight, which can cause instability.
- Keep Out of Reach of Children:** Ensure that the stand and any accessories are kept out of the reach of children to prevent accidents.
- Use in a Stable Environment:** Place the stand on a stable, flat surface to prevent tipping or sliding during use.
- Handle with Care:** When inserting or removing bullets, do so gently to avoid damaging the stand or the bullets.
- Wear Protective Gear:** It is advisable to wear safety glasses when using the stand to protect your eyes from any potential debris.
- Inspect Before Use:** Always inspect the stand and any comparators for damage before use. Do not use if any components are damaged or missing.

## Instructions for Installation and Usage

### 1. Setting Up the Stand:

- Place the Sinclair Bullet Sorting Stand on a stable, flat surface.
- Ensure that the black granite base is clean and free of any debris.

### 2. Using the Dial Indicator:

- Adjust the lever control of the dial indicator for easy insertion and removal of bullets.
- Insert the bullet into the comparator gently, ensuring it fits securely.

### 3. Sorting Bullets:

- Align the bullets according to their base to ogive length.

- Use the comparators (sold separately) to accurately measure and sort bullets by caliber.

#### 4. PostUse Care:

- After use, clean the stand and comparators to keep them in good condition.
- Store the stand in a safe place, away from children and pets.

## Disposal Instructions

- **Disposal of Product:** When disposing of the Sinclair Bullet Sorting Stand, follow local regulations for disposal of nonhazardous materials.
- **Environmental Considerations:** Do not dispose of the product in regular waste. Instead, consider recycling options if available in your area.

## Contact Information for Further Support

For any questions or concerns regarding the Sinclair Bullet Sorting Stand, please refer to the designated EU contact point for assistance. Ensure to keep this guide for future reference.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the Sinclair Bullet Sorting Stand responsibly.
