

# SINCLAIR TWO PIECE CLEANING ROD GUIDES - SINCLAIR INTERNATIONAL BORE GUIDE BODY, BELTED MAGNUM FAMILY

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

## Inserts Sold Separately

The Sinclair Two-Piece bore guide system helps the shooter get the best possible alignment of the cleaning rod to the bore by using a guide within a guide. The guide body goes into the action and seals the chamber with an O-ring, like a traditional bore guide. A separate guide slides into the rear of the guide body to provide a slip fit for the cleaning rod. The tight-fitting 8" insert prevents the rod from flexing and keeps it centered, so it will not contact the rifling while you clean. Choose the guide body to fit the cartridge your rifle is chambered for, then select the insert with the inside diameter that fits your rod. Both guide body and insert are machined from Delrin with rubber O-ring seals to prevent solvent from getting into the action. Bore guide bodies are made to fit the Remington 700 and other rifles with .700" diameter bolts.

Inserts Sold Separately

## Attributes

- Name: [SINCLAIR INTERNATIONAL BORE GUIDE BODY, BELTED MAGNUM FAMILY](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749013417

# Safety Instruction Guide for SINCLAIR Two Piece Cleaning Rod Guides

## Introduction

Thank you for choosing the SINCLAIR Two Piece Cleaning Rod Guides. This product is designed to assist you in maintaining your firearm safely and effectively. Please read this safety instruction guide carefully to ensure proper use and to minimize any risks associated with the product.

## General Safety Guidelines

- Always ensure the firearm is unloaded before using the cleaning rod guides.
- Follow all local laws and regulations regarding firearm maintenance and safety.
- Keep the cleaning rod guides out of reach of children and unauthorized users.
- Regularly inspect the cleaning rod guides for wear or damage before each use.
- Use the product only for its intended purpose as described in this guide.

## Specific Safety Precautions for Use

- Ensure that the bore guide is compatible with the specific cartridge your rifle is chambered for.
- Always use the cleaning rod that fits securely into the bore guide insert to prevent damage to the firearm.
- Avoid using excessive force when inserting or removing the cleaning rod to prevent bending or breaking.
- Do not use the cleaning rod guides with solvents or chemicals that are not compatible with the materials of the product.
- If you notice any unusual sounds or resistance while using the cleaning rod guides, stop immediately and check for obstructions.

## Instructions for Installation and Usage

### 1. Selecting the Guide Body and Insert:

- Choose the guide body that fits the cartridge your rifle is chambered for.
- Select the insert with the appropriate inside diameter that fits your cleaning rod.

### 2. Installing the Guide Body:

- Insert the guide body into the action of your firearm.
- Ensure the O-ring seals the chamber properly to prevent solvent leakage.

### 3. Attaching the Insert:

- Slide the selected insert into the rear of the guide body.
- Ensure it fits snugly to provide a secure slip fit for the cleaning rod.

### 4. Using the Cleaning Rod:

- Insert the cleaning rod into the bore guide insert.
- Gently push the rod through the bore while maintaining alignment with the guide.
- Clean the bore as per your usual cleaning procedure, ensuring the rod does not flex or touch the rifling.

### 5. Removing the Cleaning Rod:

- After cleaning, carefully withdraw the cleaning rod from the bore guide insert.
- Remove the insert and guide body from the firearm.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for plastic and rubber materials.
- Do not dispose of the product in household waste unless it is permitted by local laws.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the SINCLAIR Two Piece Cleaning Rod Guides, please refer to the contact information provided with your product packaging or visit the official website.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and effective cleaning experience with your SINCLAIR Two Piece Cleaning Rod Guides. Always prioritize safety and proper maintenance of your firearm. Thank you for your attention to these important safety measures.
