

## 3-IN-1 CASE MOUTH CUTTER - FORSTER PRODUCTS, INC. 0.264" 3-IN-1 PILOT

[Reloading](#) > [Case Preparation](#) > [Case Mouth Chamfering](#)

The 3-In-1 Case Mouth Cutter from Forster creates a perfectly aligned, consistent chamfer on the inside and outside of the case mouth to help ensure benchrest quality handloads. Installs easily over the existing cutter shaft on all Foster Original and Power Case trimmers. Chamfers the inside to a 14° angle that works for both VLD boat tail and standard bullets. Outside is chamfered to a 30° angle, plus is fully adjustable for chamfer length. Long lasting carbide blades hold edge indefinitely with proper care.

# 3IN1 CASE MOUTH CUTTER SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the 3IN1 Case Mouth Cutter from Forster Products, Inc. This tool is designed to create a precise chamfer on the inside and outside of case mouths, ensuring highquality handloads. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the product according to the instructions provided in this guide.
- Ensure that you are in a safe and dry environment while using the cutter.
- Keep the cutter out of reach of children and vulnerable individuals.
- Regularly inspect the cutter for any signs of damage or wear before each use.
- Do not use the cutter for any purpose other than its intended use.
- If you notice any malfunction or abnormal behavior during use, stop using the product immediately.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, to protect against metal shards and sharp edges.
- Ensure that your hands are dry and clean before handling the cutter.
- Avoid placing your fingers near the cutting edges when operating the cutter.
- Use the cutter only on cases that are designed for chamfering; do not attempt to use it on other materials.
- Always follow the manufacturer's guidelines for installation and operation.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the existing cutter shaft from your Forster Original or Power Case trimmer.
- Align the 3IN1 Case Mouth Cutter over the existing cutter shaft.
- Securely attach the cutter to the shaft, ensuring a snug fit.

### 2. Using the Cutter:

- Insert the case into the trimmer and ensure it is properly aligned.
- Turn on the trimmer and allow it to reach the required speed.
- Gently guide the case into the cutter, ensuring it is fully seated.
- For inside chamfering, allow the cutter to create a 14° angle; for outside chamfering, adjust to a 30° angle as needed.
- After chamfering, remove the case and inspect the edges for consistency.

### 3. Adjustments:

- To adjust the chamfer length, loosen the adjustment screw and set to your desired length. Retighten the screw securely before use.

## **Disposal Instructions**

- Dispose of the cutter responsibly in accordance with local regulations.
- If the cutter is damaged beyond repair, ensure that it is disposed of in a manner that prevents injury to others.

## **Contact Information for Further Support**

For any safety inquiries or product support, please refer to the manufacturer's website or contact the appropriate EUbased contact point.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the 3IN1 Case Mouth Cutter. Always prioritize safety and proper handling to maintain the quality and longevity of your tool. Thank you for your attention to these guidelines.
