

# SHOOTING REST FOOT PROTECTORS - SINCLAIR INTERNATIONAL

## SHOOTING REST FEET PROTECTORS 1/2"X20 THREADS

[Shooting Accessories](#) > [Shooting Rests](#) > [Shooting Rest Accessories](#)

Preserve the footprint of your favorite Sinclair Shooting Rest with these Sinclair Rest-Foot Protectors. Shooting rest legs often wear and “round out” after heavy usage, travel, and transport when the leg points are exposed to contact with the elements. Keep your leg’s threads clean and protected from any damage too. The Sinclair Rest-Foot Protectors are machined from high density Delrin, are easy-to-install, and provide a lifetime of protection for your stainless leg points. Sinclair Rest-Foot Protectors include a set of three pieces and are available in two sizes: 1/2”-20 Thread - Fits all current model Sinclair Heavy Varmint and Competition Model rest legs 3/8”-16 Thread - Fits all early-model Sinclair, Hart, Bald Eagle and other shooting rests with 3/8”-16 legs

# Safety Instruction Guide for Sinclair International Shooting Rest Feet Protectors

## Introduction

Thank you for choosing the Sinclair International Shooting Rest Feet Protectors. These protectors are designed to help preserve the footprint of your Sinclair Shooting Rest. Proper use and care will ensure the longevity of your shooting rest legs and protect them from wear and damage. This guide provides essential safety information and instructions to help you use this product safely and effectively.

## General Safety Guidelines

- Ensure safe use of the product by following the instructions provided.
- Always inspect the product before use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the Sinclair RestFeet Protectors with compatible Sinclair Shooting Rest models.
- Do not use the protectors if they appear damaged or worn.
- Avoid exposing the protectors to extreme temperatures or harsh chemicals.
- Ensure that the protectors are securely attached before using the shooting rest to prevent accidents.
- Regularly check the protectors for signs of wear and replace them as necessary.

## Instructions for Installation and Usage

1. **Select the Correct Size:** Determine whether you need the 1/2"20 Thread or the 3/8"16 Thread version based on your shooting rest model.
2. **Prepare the Shooting Rest:** Clean the threads on your shooting rest legs to remove dirt and debris.
3. **Install the Protectors:**
  - Align the protector with the threads on the shooting rest leg.
  - Gently screw the protector onto the leg until it is securely in place. Do not overtighten.
4. **Check Stability:** After installation, ensure that the shooting rest is stable and the protectors are firmly attached.
5. **Usage:** Use your shooting rest as intended, ensuring that the protectors remain in place during use.
6. **Regular Maintenance:** Periodically check the protectors for wear and tear, and replace them if necessary.

## Disposal Instructions

- Dispose of the Sinclair RestFeet Protectors in accordance with local waste disposal regulations.
- If the protectors are worn out or damaged, recycle them if possible, or dispose of them in a responsible manner to minimize environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding the Sinclair International Shooting Rest Feet Protectors, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website for support.

By following these guidelines, you can ensure the safe and effective use of your Sinclair International Shooting

Rest Feet Protectors. Thank you for prioritizing safety and proper usage.
