

# SHOOTING REST FOOT PROTECTORS - SINCLAIR INTERNATIONAL

## SHOOTING REST FEET PROTECTORS 3/8"X16 THREADS

[Shooting Accessories](#) > [Shooting Rests](#) > [Shooting Rest Accessories](#)

Preserve the footprint of your favorite Sinclair Shooting Rest with these Sinclair Rest-Foot Protectors. Shooting rest legs often wear and “round out” after heavy usage, travel, and transport when the leg points are exposed to contact with the elements. Keep your leg’s threads clean and protected from any damage too. The Sinclair Rest-Foot Protectors are machined from high density Delrin, are easy-to-install, and provide a lifetime of protection for your stainless leg points. Sinclair Rest-Foot Protectors include a set of three pieces and are available in two sizes: 1/2”-20 Thread - Fits all current model Sinclair Heavy Varmint and Competition Model rest legs 3/8”-16 Thread - Fits all early-model Sinclair, Hart, Bald Eagle and other shooting rests with 3/8”-16 legs

# Safety Instruction Guide for Sinclair International Shooting Rest Feet Protectors

## Introduction

Thank you for choosing the Sinclair International Shooting Rest Feet Protectors. These protectors are designed to preserve the footprint of your favorite Sinclair Shooting Rest, ensuring that the legs of your shooting rest remain intact and functional. This guide provides essential safety instructions and guidelines for the proper use and maintenance of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the Shooting Rest Feet Protectors are compatible with your shooting rest model before installation.
- Regularly inspect the protectors for signs of wear or damage.
- Use the product only for its intended purpose as specified in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- In case of any malfunction or damage, cease use immediately and consult the appropriate authorities or professionals.

## Specific Safety Precautions for Use

- Do not use the Shooting Rest Feet Protectors if they are cracked, broken, or otherwise damaged.
- Ensure that the protectors are securely attached to the legs of the shooting rest before use.
- Avoid exposing the protectors to extreme temperatures or harsh chemicals that may degrade the material.
- Be cautious when transporting the shooting rest to prevent damage to the protectors and the rest itself.
- If you notice any unusual instability while using the shooting rest, inspect the protectors and legs for any issues before proceeding.

## Instructions for Installation and Usage

1. **Compatibility Check:** Verify that your shooting rest legs are either 1/2"20 Thread or 3/8"16 Thread to ensure proper fit.
2. **Installation Steps:**
  - Clean the threads of the shooting rest legs to remove any dirt or debris.
  - Align the Sinclair Rest Feet Protectors with the threads of the legs.
  - Gently screw the protectors onto the legs until they are handtight. Do not overtighten as this may damage the threads.
3. **Usage:**
  - Place the shooting rest on a stable surface before use.
  - Regularly check the fit of the protectors during use to ensure they remain securely attached.
  - After use, clean the protectors and inspect for any signs of wear.

## Disposal Instructions

- When the Sinclair Rest Feet Protectors reach the end of their useful life, dispose of them in accordance with local regulations for plastic waste.
- Do not incinerate or recycle in a way that may pose environmental hazards.
- If unsure about disposal methods, consult local waste management authorities for guidance.

## **Contact Information for Further Support**

For any inquiries regarding the safety or usage of the Sinclair International Shooting Rest Feet Protectors, please refer to the provided contact resources or consult your local distributor for assistance.

By following these guidelines, you can ensure the safe and effective use of your Sinclair International Shooting Rest Feet Protectors. Thank you for your attention to safety and for choosing our product.
