# Safety Instruction Guide for LITTLE DANDY ROTOR CHARGE RCBS LITTLE DANDY ROTOR CHARGE #13

## Introduction

Thank you for choosing the LITTLE DANDY ROTOR CHARGE #13 by RCBS. This product is designed to provide precise powder charges for handgun and smallcaliber rifle loads. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always handle the LITTLE DANDY ROTOR CHARGE with care and follow all safety instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that you are using the product in a wellventilated area to avoid inhalation of any powder particles.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to relevant authorities.

## Specific Safety Precautions for Use

- Use the product only for its intended purpose: measuring powder charges by volume.
- Do not exceed the maximum capacity of the rotor to avoid spills and inaccurate measurements.
- Avoid using the product near open flames or sources of ignition.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling powders.
- Store powders in a cool, dry place, away from direct sunlight and heat sources.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the work surface is clean and free of clutter.
- Attach the rotor securely to the measuring device according to the manufacturer's instructions.
- Verify that all components are properly aligned and secured before use.

### 2. Usage

- Place the rotor in the measuring device and ensure it is locked in place.
- Carefully add the powder to the rotor without exceeding its capacity.
- Use the measuring device to dispense the powder charge as needed.
- After use, clean the rotor and measuring device to prevent crosscontamination of powders.

## Disposal Instructions

- Dispose of any unused powder and packaging materials in accordance with local regulations.
- Do not dispose of powders in regular household waste.
- Contact your local waste management authority for guidance on safe disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the LITTLE DANDY ROTOR CHARGE #13, please refer to the

manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can help ensure a safe and effective experience with your LITTLE DANDY ROTOR CHARGE. Thank you for prioritizing safety!
