LITTLE DANDY ROTOR CHARGE RCBS LITTLE DANDY ROTOR CHARGE #14 Safety Instruction Guide

Introduction

Thank you for choosing the LITTLE DANDY ROTOR CHARGE RCBS LITTLE DANDY ROTOR CHARGE #14. This product is designed to measure powder charges for handgun and select smallcaliber rifle loads. To ensure your safety and the effective use of this product, please read the following safety instructions carefully.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use. However, it is important to follow all instructions to minimize risks.
- **Enhanced Recalls:** In the event of a safety issue, recall notices will be provided, and remedies will be available at no cost.
- **Online Shopping:** When purchasing online, ensure that the seller meets the same safety standards as physical stores.
- **Special Consumer Focus:** Extra care should be taken to keep this product out of reach of children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Stay informed about product safety updates through the Safety Gate system.

Specific Safety Precautions for Use

- Always use the LITTLE DANDY ROTOR CHARGE in a wellventilated area to avoid inhalation of any powder particles.
- Wear appropriate personal protective equipment, such as safety glasses and gloves, during use to protect against accidental exposure.
- Keep the product and all related materials out of reach of children and pets.
- Do not exceed the recommended charge limits specified for your specific applications to avoid potential hazards.
- Ensure that the rotor is securely attached before use to prevent spillage or accidents.
- Regularly inspect the rotor for any signs of damage or wear, and discontinue use if any issues are found.

Instructions for Installation and Usage

1. Installation

- Ensure that the work area is clean and free from distractions.
- Select the appropriate rotor size for your desired charge.
- Attach the rotor securely to the measuring device, ensuring it clicks into place.
- Doublecheck that the rotor is properly aligned and stable before proceeding.

2. Usage

- Measure the desired amount of powder using the rotor.
- Always verify the charge weight with a scale after measuring.
- Avoid overfilling the rotor to prevent spills.
- Clean the rotor after each use to maintain accuracy and prevent contamination.
- Store the rotor in a dry, safe place when not in use.

Disposal Instructions

- Dispose of any unused or expired powder in accordance with local regulations.
- Do not dispose of the product in household waste. Follow local guidelines for hazardous materials.
- Ensure that all components are disposed of safely to prevent environmental contamination.

Contact Information for Further Support

For any questions or concerns regarding the LITTLE DANDY ROTOR CHARGE, please refer to the designated EU contact point for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
