# LITTLE DANDY ROTOR CHARGE Safety Instruction Guide

## Introduction

Thank you for choosing the LITTLE DANDY ROTOR CHARGE by RCBS. This product is designed to provide precise powder charges for handgun and select smallcaliber rifle loads. To ensure your safety and the safe operation of this product, please read and follow the instructions outlined in this safety guide.

## General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Ensure that the product is kept out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Be aware of your surroundings and ensure a safe working environment when using this product.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use the LITTLE DANDY ROTOR CHARGE only for the intended purpose of measuring powder charges.
- Avoid using the product in wet or humid conditions to prevent electrical hazards.
- Do not exceed the maximum recommended charge for the rotor you are using.
- Always wear appropriate safety gear, including eye protection, when handling powders.
- Ensure that the rotor is securely attached before use to prevent accidental spills or discharges.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the LITTLE DANDY ROTOR CHARGE from its packaging and inspect for any damage.
- Ensure that the work surface is clean and stable.
- Attach the rotor firmly to the base unit, ensuring it is secured in place.

### 2. Usage:

- Select the appropriate rotor for your desired powder charge.
- Pour the powder into the rotor, ensuring not to exceed the maximum capacity.
- Use the measuring tool to dispense the powder into your container.
- Always doublecheck the charge weight before proceeding with loading.

## Disposal Instructions

- Dispose of any unused or expired powders according to local regulations.
- Do not dispose of the product in household waste. Instead, follow local guidelines for the disposal of electronic and nonfood products.
- Ensure that all components are disposed of safely to prevent environmental harm.

## Contact Information for Further Support

For any questions or concerns regarding the LITTLE DANDY ROTOR CHARGE, please refer to the manufacturer's official website or customer service for assistance.

By following these safety instructions, you can ensure the safe and effective use of the LITTLE DANDY ROTOR

CHARGE. Thank you for prioritizing safety in your reloading practices.
