# ACCESSORY BASE PLATE 3 Safety Instructions

## Introduction

Thank you for choosing the ACCESSORY BASE PLATE 3 by RCBS. This product is designed to enhance your reloading experience by providing a stable and versatile mounting solution. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is installed and used according to the instructions provided in this manual.
- Always inspect the Base Plate 3 for any signs of damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.
- Use the product only for its intended purpose as specified in this manual.

## Specific Safety Precautions for Use

- **Installation Area:** Ensure that the work surface to which the Base Plate 3 is attached is stable and secure.
- **Fastening Hardware:** Use only the fastening hardware provided with the product to ensure proper installation.
- **Weight Limits:** Do not exceed the recommended weight limits for the tools mounted on the Base Plate 3.
- **Avoid Overloading:** Do not overload the Base Plate 3 with equipment that may cause instability or tipping.
- **Safety Gear:** When using tools mounted on the Base Plate 3, wear appropriate safety gear, including eye protection and gloves.
- **Tool Safety:** Follow all safety instructions provided with the tools mounted on the Base Plate 3.

## Instructions for Installation and Usage

1. **Select a Suitable Work Surface:** Choose a flat, stable surface that can support the Base Plate 3 and the equipment you intend to mount.
2. **Attach the Base Plate 3:**
  - Position the Base Plate 3 on the work surface.
  - Use the pretapped, lettercoded holes to mark the drilling points if necessary.
  - Secure the Base Plate 3 to the work surface using the included fastening hardware.
3. **Mounting Equipment:**
  - Identify the appropriate holes for the equipment you wish to mount (e.g., RCBS Pro Chucker 5, Pro Chucker 7).
  - Align the mounting brackets of the equipment with the holes on the Base Plate 3.
  - Secure the equipment using the provided hardware, ensuring a tight and secure fit.
4. **Dismounting Equipment:**
  - To remove equipment, simply reverse the mounting process.
  - Ensure all tools are stored safely when not in use.

## Disposal Instructions

- Dispose of the ACCESSORY BASE PLATE 3 and any packaging materials in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste. Check for local recycling options.

## **Contact Information for Further Support**

For any questions or concerns regarding the ACCESSORY BASE PLATE 3, please refer to the manufacturer's website or customer service for assistance. Ensure you have the product details ready when seeking support.

By following these safety instructions, you can enjoy a safe and efficient reloading experience with the ACCESSORY BASE PLATE 3. Thank you for your attention to safety and for choosing RCBS products.
