## Safety Instructions

### Introduction

Thank you for choosing the Redding Turret Stacker. This product is designed to help you store extra turret heads conveniently, ensuring that they remain protected and properly adjusted. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Use the product in a welllit and organized workspace.
- Follow all instructions provided in this manual to avoid potential hazards.

### Specific Safety Precautions for Use

- Always handle turret heads with care to avoid injury.
- Use spacers as instructed to prevent damage to turret heads and decapping rods.
- Do not stack more than three turrets at a time to maintain stability.
- Ensure that dies are properly installed before stacking turrets.
- If you notice any unusual sounds or movements during use, stop immediately and inspect the product.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather all necessary components, including turret heads and spacers.
- Ensure your workspace is clean and free of obstructions.

#### 2. Stacking Turrets:

- Place the first turret head on a flat surface.
- Insert a spacer, if needed, to maintain the correct height.
- Stack the next turret head on top of the spacer, ensuring it is secure.
- Repeat the process until you have stacked up to three turret heads.

#### 3. Installing Dies:

- Before stacking, ensure that dies are correctly installed in each turret head.
- Check that the dies are tightened to prevent them from loosening during storage.

#### 4. Storing the Stacked Turrets:

- Once stacked, store the turret stacker in a dry, cool place.
- Avoid placing heavy objects on top of the turret stacker to prevent damage.

### Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.

- If the product is damaged, contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For further assistance, please refer to the manufacturer's website or contact your local distributor. Ensure you have the product details available when seeking support.

By following these safety instructions, you can ensure the safe and effective use of the Redding Turret Stacker. Thank you for your attention to these guidelines.
