

# 6MM CREEDMOOR TYPE S BUSHING FULL DIE - REDDING 6MM CREEDMOOR BUSHING FULL LENGTH DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Full Length resizing while maintaining exact control of the case neck is often desirable in one operation. The Redding 6mm Creedmoor Type S Bushing Full Length Sizing Dies accomplish this task with the precision you would expect from Redding. Uses the same interchangeable bushings as those used in Redding bushing style neck sizing dies. The adjustable decapping rod allows you to adjust the bushing position, sizing only part of the neck length when desired. Concentricity is enhanced by the ability of the bushing to self-center on the neck of the cartridge case. All Type S dies are supplied with both the standard size button and a decapping pin retainer. By removing the bushing and all internal parts, the Type S Bushing Full Die may also be used as a body die.

## Attributes

- Name: [REDDING 6MM CREEDMOOR BUSHING FULL LENGTH DIE](#)
- Manufacturer: [REDDING](#)
- Product no.: 749017109

# Safety Instruction Guide for Redding 6MM Creedmoor Type S Bushing Full Die

## Introduction

Thank you for choosing the Redding 6MM Creedmoor Type S Bushing Full Die. This guide provides essential safety instructions and guidelines to ensure safe and effective use of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage before use.
- Store the product in a dry, safe place away from direct sunlight and moisture.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses, when using the die.
- Ensure that the work area is welllit and free from clutter.
- Do not exceed the recommended specifications for the die.
- Handle all components with care to avoid injury.
- Make sure the die is securely mounted before use.
- Avoid contact with moving parts during operation.
- If you experience any difficulty or malfunction, cease use immediately and consult the manufacturer.

## Instructions for Installation and Usage

### 1. Installation:

- Select a suitable reloading press that is compatible with the Redding 6MM Creedmoor Type S Bushing Full Die.
- Securely mount the die in the press according to the manufacturer's instructions.
- Insert the appropriate bushing into the die, ensuring it is properly seated.

### 2. Usage:

- Prepare your brass cases by cleaning and inspecting them for defects.
- Adjust the decapping rod to the desired position for neck sizing.
- Insert the brass case into the die and operate the press to resize the case.
- After resizing, remove the case and inspect it for proper sizing and concentricity.
- Repeat the process for additional cases as needed.

## Disposal Instructions

- Dispose of any worn or damaged components in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in general waste if it contains hazardous materials.

## **Contact Information for Further Support**

For safety inquiries or additional support, please consult the manufacturer or your retailer. Ensure you have the product details ready for assistance.

By following these guidelines, you can ensure a safe and efficient reloading experience with the Redding 6MM Creedmoor Type S Bushing Full Die. Thank you for your attention to safety.
