# Safety Instruction Guide for L.E. Wilson .50 BMG Microstop Case Trimmer Kit

## Introduction

Thank you for choosing the L.E. Wilson .50 BMG Microstop Case Trimmer Kit. This guide provides essential safety instructions and usage guidelines to ensure that you can operate this product safely and effectively. Please read this document carefully before using the trimmer kit.

## General Safety Guidelines

To ensure your safety and the proper functioning of the L.E. Wilson .50 BMG Microstop Case Trimmer Kit, please follow these general safety guidelines:

- Always read and understand the user manual before operating the product.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified in this guide.
- Inspect the trimmer kit for any damage before each use. Do not use if damaged.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while operating the trimmer.
- Ensure that your workspace is clean, welllit, and free from distractions.
- Do not operate the trimmer if you are tired or under the influence of substances that may impair your judgment.

## Specific Safety Precautions for Use

When using the L.E. Wilson .50 BMG Microstop Case Trimmer Kit, please observe the following specific safety precautions:

- Ensure that the trimmer is securely mounted on a stable surface before use.
- Always keep hands and other body parts away from the trimming area while the tool is in operation.
- Use the provided case holder to secure the cases during trimming. Never attempt to hold the case by hand.
- Do not exceed the recommended case sizes specified in this guide.
- Make sure that the micrometer stop is properly adjusted before starting the trimming process.
- Never modify or alter the trimmer kit in any way, as this may lead to unsafe conditions.

## Instructions for Installation and Usage

Please follow these instructions carefully to install and use your L.E. Wilson .50 BMG Microstop Case Trimmer Kit:

### 1. Installation:

- Unpack the trimmer kit and ensure all components are included: trimmer, .50caliber case holder, trimmer stand, case holder clamp, and micrometer stop.
- Assemble the trimmer according to the manufacturer's instructions. Ensure that all parts are securely fastened.
- Mount the trimmer stand on a stable workbench or table using the provided screws or clamps.

### 2. Using the Trimmer:

- Adjust the micrometer stop to your desired trimming length.

- Place a fired case in the .50caliber case holder and secure it with the case holder clamp.
- With the case holder secured, carefully operate the trimmer, ensuring your hands are clear of the cutting area.
- After trimming, remove the case and inspect it for any defects or issues.
- Clean the trimmer and workspace after each use to maintain optimal performance.

## **Disposal Instructions**

When disposing of the L.E. Wilson .50 BMG Microstop Case Trimmer Kit or its components:

- Follow local regulations for the disposal of electronic and mechanical products.
- Do not dispose of the product in regular household waste. Instead, take it to a designated recycling facility or collection point.
- Remove batteries (if applicable) and dispose of them separately according to local guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the L.E. Wilson .50 BMG Microstop Case Trimmer Kit, please reach out to the manufacturer or your retailer for assistance. Ensure you have your product details ready for efficient support.

Thank you for your attention to these safety guidelines. Enjoy using your L.E. Wilson .50 BMG Microstop Case Trimmer Kit safely and effectively!
