Safety Instruction Guide for Forster Products, Inc.

6.5 Creedmoor Decapping Unit

Introduction

Thank you for choosing the Forster Products, Inc. 6.5 Creedmoor Decapping Unit. This guide provides essential safety instructions to ensure the safe and effective use of your replacement decapping assemblies. Please read this guide carefully before using the product.

General Safety Guidelines

- Always use the decapping unit in accordance with the manufacturer's instructions.
- Ensure that the product is suitable for your specific Forster Full Length and Neck Sizing Dies.
- Keep the decapping unit out of reach of children and vulnerable individuals.
- Regularly inspect the decapping unit for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Risk of injury from sharp components.
- Risk of damage to your dies if not used correctly.

- **Avoiding Hazards:**

- Always handle the decapping unit with care.
- Use appropriate personal protective equipment (PPE), such as safety glasses, when operating the unit.
- Do not attempt to modify or alter the decapping unit in any way.
- Follow all instructions for installation and usage to prevent accidents.

- **AgeSpecific Warnings:**

- This product is not intended for use by children. Ensure that only trained adults operate the decapping unit.

Instructions for Installation and Usage

1. Installation:

- Ensure your workspace is clean and welllit.
- Carefully remove the decapping unit from its packaging.
- Identify the components: decap rod, spindle bushing, lock nut, expander ball, and decapping pin.
- Follow the manufacturer's instructions to install the decapping assembly into your Forster die.

2. Usage:

- Verify that the decapping unit is securely attached before use.
- Position the die in your reloading press as per the manufacturer's guidelines.
- Insert the cartridge case into the die and apply gentle pressure to decap it.
- Always maintain a steady hand and avoid excessive force to prevent accidents or damage.

3. **PostUsage:**

- After use, clean the decapping unit to remove any debris or residue.
- Store the decapping unit in a safe place where it is protected from damage.

Disposal Instructions

- Dispose of any damaged or wornout components in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, follow recycling guidelines for metal and plastic materials.

Contact Information for Further Support

For additional support or safety inquiries regarding the Forster Products, Inc. 6.5 Creedmoor Decapping Unit, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for your attention to these safety instructions. Enjoy using your Forster decapping unit responsibly and safely!
