

STAINLESS NECK SIZING DIES - L.E. WILSON STAINLESS NECK DIE 300 PRC

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Designed so the user can control and/or change the amount of neck sizing the cartridge case receives. Uses interchangeable sizing bushings that size the outside of the case neck. The conventional expander is eliminated, improving concentricity and prolonging brass life. ****NECK DIE BASE SOLD SEPARATELY****
The die is used with an Arbor Press. Sizes the neck to 3/16" from the mouth end, a practice many shooters prefer. Bushings not included. Dies include a decapping rod.

Safety Instruction Guide for L.E. Wilson Stainless Neck Sizing Die 300 PRC

Introduction

Thank you for choosing the L.E. Wilson Stainless Neck Sizing Die 300 PRC. This guide provides essential safety instructions and usage information to ensure safe handling and operation of your die. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the die is used in a wellventilated area to avoid inhalation of any dust or particles.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when operating the die.
- Keep the die out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding ammunition reloading and use.
- Regularly inspect the die for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The die is designed for use with an Arbor Press. Improper use may lead to injury.
 - Interchangeable sizing bushings can create sharp edges. Handle with care.
- **Avoiding Hazards:**
 - Ensure that the Arbor Press is stable and securely positioned before use.
 - Do not exceed the recommended sizing specifications to prevent damage to the die or injury.
 - Do not attempt to modify the die or its components in any way.
- **AudienceSpecific Warnings:**
 - This product is intended for adult use only. Keep it away from children.
 - Users should have a basic understanding of reloading practices and safety measures.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that your Arbor Press is clean and free from debris.
 2. Attach the die securely to the Arbor Press following the manufacturer's instructions.
 3. Select the appropriate sizing bushing (sold separately) for your cartridge case.
 4. Insert the bushing into the die and ensure it is seated properly.
- **Usage:**
 1. Place the cartridge case into the die, aligning it correctly.
 2. Apply pressure using the Arbor Press to size the neck of the cartridge case to 3/16" from the mouth end.
 3. After sizing, remove the cartridge case from the die.
 4. Always check the dimensions of the resized case to ensure compliance with your specifications.
 5. Store the die in a safe and dry location when not in use.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Recycle materials whenever possible. Check with local waste management facilities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support regarding the L.E. Wilson Stainless Neck Sizing Die 300 PRC, please refer to the appropriate contact resources available in your region.

By following these safety instructions, you can ensure a safe and effective experience with your L.E. Wilson Stainless Neck Sizing Die 300 PRC. Thank you for prioritizing safety in your reloading practices.
