

# STAINLESS NECK SIZING DIES - L.E. WILSON 6.5 PRC BUSHING NECK SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Designed so the user can control and/or change the amount of neck sizing the cartridge case receives. Uses interchangeable sizing bushings that size the outside of the case neck. The conventional expander is eliminated, improving concentricity and prolonging brass life. **\*\*NECK DIE BASE SOLD SEPARATELY\*\***  
The die is used with an Arbor Press. Sizes the neck to 3/16" from the mouth end, a practice many shooters prefer. Bushings not included. Dies include a decapping rod.

# Safety Instruction Guide for Stainless Neck Sizing Dies L.E. Wilson 6.5 PRC Bushing Neck Sizing Die

## Introduction

Thank you for choosing the Stainless Neck Sizing Die by L.E. Wilson. This product is designed to provide precision neck sizing for your 6.5 PRC cartridge cases. While using this die, it is essential to follow safety guidelines to ensure safe handling and operation. This guide will provide you with important safety information, usage instructions, and contact details for further support.

## General Safety Guidelines

- Ensure that the die is used in a welllit and clean workspace.
- Always wear appropriate safety gear, such as safety glasses and gloves, when handling the die and cartridge cases.
- Keep the die and all related tools out of reach of children and unauthorized users.
- Regularly inspect the die for signs of wear or damage before use.
- Follow all local laws and regulations regarding the handling and use of reloading equipment and ammunition.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Risk of injury from sharp edges or moving parts.
  - Risk of accidents due to improper use.
- **Avoiding Hazards:**
  - Always ensure the die is securely mounted to the Arbor Press before use.
  - Do not exceed the recommended sizing limits; follow the specifications for neck sizing.
  - Avoid wearing loose clothing or jewelry that could get caught in the equipment.
  - Never attempt to modify the die or use it for purposes other than intended.
- **Age Restrictions:**
  - This product is intended for use by individuals aged 18 and older. Ensure that younger users are supervised by an adult.

## Instructions for Installation and Usage

- **Installation:**
  1. Secure the Arbor Press on a stable work surface.
  2. Attach the neck sizing die to the Arbor Press according to the manufacturer's instructions.
  3. Ensure that the die is tightened and secure before proceeding.
- **Usage:**
  1. Select the appropriate sizing bushing based on your desired neck size.
  2. Insert the cartridge case into the die.
  3. Apply steady pressure using the Arbor Press to size the neck of the cartridge case.
  4. Remove the sized case and inspect it for any damage.
  5. Repeat the process for additional cases as needed.
- **Decapping Rod:**
  - The die includes a decapping rod. Ensure it is correctly positioned for effective use during the

sizing process.

## **Disposal Instructions**

- Dispose of any damaged or unusable components in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the die or its parts in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the use or safety of the Stainless Neck Sizing Die, please reach out to the manufacturer or authorized retailer. Ensure you have the product details ready for assistance.

By following these guidelines and instructions, you can ensure a safe and effective experience with your Stainless Neck Sizing Die. Thank you for your attention to safety!
