Safety Instruction Guide for SINGLE STAGE PRESS STEEL SHOT CHARGE BAR MEC RELOADING 7/8OZ #5#6 SHOT

Introduction

Thank you for choosing the SINGLE STAGE PRESS STEEL SHOT CHARGE BAR by MEC RELOADING. This product is designed for single stage reloaders and allows you to load shot sizes from #1 down to #6, with a capacity of 7/8 oz. to 11/2 oz. of shot. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage to the product.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
    - Wear safety glasses to protect your eyes from any flying debris during loading.
    - Use hearing protection if you are in a noisy environment.
- **Handling:**
    - Always handle the charge bar with care to avoid accidents.
    - Do not exceed the specified weight limits for shot loading.
- **Workspace:**
    - Use the charge bar in a wellventilated area to avoid inhaling any dust or particles.
    - Keep your workspace clean and organized to prevent accidents.
- **Children:**
    - This product is not intended for use by individuals under the age of 18.
    - Ensure that children do not have access to the charge bar or any reloading materials.

Instructions for Installation and Usage

1. **Installation:**

    - Ensure that the reloading press is turned off and unplugged before installation.
    - Attach the charge bar to your single stage reloading press according to the manufacturer's instructions.
    - Secure all fastenings to prevent movement during use.

2. **Loading Shot:**

    - Measure the desired amount of shot according to the specifications of the charge bar.
    - Carefully pour the shot into the charge bar, ensuring not to exceed the maximum capacity.
    - Make sure the charge bar is properly aligned and secured before beginning the reloading process.

3. **Operating the Press:**

- Follow the manufacturer's instructions for operating your reloading press.
- Maintain a steady pace while operating the press to ensure consistent loading.
- Do not attempt to reload if you are feeling fatigued or distracted.

4. **PostUse Care:**

- After use, clean the charge bar to remove any residual shot or debris.
- Store the charge bar in a safe, dry place away from children and pets.

Disposal Instructions

- Dispose of any broken or unusable parts in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For further assistance or inquiries regarding safety concerns, please refer to the manufacturer's contact details provided with the product packaging.
