# Safety Instruction Guide for SINGLE STAGE PRESS STEEL SHOT CHARGE BAR MEC RELOADING 1OZ #3#6 SHOT

## Introduction

Thank you for choosing the SINGLE STAGE PRESS STEEL SHOT CHARGE BAR from MEC RELOADING. This product is designed for use with single stage reloaders and is capable of loading shot weights from 7/8 oz. to 1 1/2 oz., accommodating shot sizes from #1 down to #6. To ensure your safety and the safe operation of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always read and understand the product manual before use.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that the workspace is clean and free from hazards before using the charge bar.
- Regularly inspect the charge bar for any signs of wear or damage before each use.
- If you notice any defects or malfunctions, discontinue use immediately and seek assistance.
- Follow all local laws and regulations regarding reloading and ammunition.

## Specific Safety Precautions for Use

- Use only the recommended shot sizes (#1 to #6) and weights (7/8 oz. to 1 1/2 oz.) specified for this charge bar.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling reloading materials.
- Avoid overloading the charge bar beyond its specified capacity to prevent malfunctions.
- Do not operate the charge bar if you are under the influence of alcohol, drugs, or any substances that may impair your judgment.
- Ensure that the area is wellventilated to avoid inhalation of potentially harmful dust or particles.
- Be cautious of sharp edges or moving parts during operation.

## Instructions for Installation and Usage

### 1. Installation:

- Unpack the charge bar and check for all components.
- Ensure that the charge bar is compatible with your single stage reloader.
- Securely attach the charge bar to the reloader according to the manufacturer's instructions.
- Make sure all connections are tight and there are no loose parts.

### 2. Usage:

- Set the desired shot weight on the charge bar according to your reloading needs.
- Load the appropriate shot size (#1 to #6) into the charge bar.
- Follow the reloader's instructions for operation, ensuring that the charge bar is properly engaged.
- Monitor the loading process closely to ensure consistent performance and safety.
- After use, clean the charge bar to remove any residue or debris.

## **Disposal Instructions**

- Dispose of the charge bar in accordance with local regulations for metal products.
- If the charge bar is damaged beyond repair, contact your local recycling center for guidance on proper disposal methods.
- Do not dispose of the charge bar in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the SINGLE STAGE PRESS STEEL SHOT CHARGE BAR, please reach out to your local MEC RELOADING distributor or authorized service center. They will assist you with any questions or issues you may have.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using your new reloading accessory!
