# Safety Instruction Guide for STEEL SHOT CHARGE BAR MEC RELOADING 1OZ BB#2 STEEL SHOT CHARGE BAR

## Introduction

Thank you for choosing the STEEL SHOT CHARGE BAR MEC RELOADING 1OZ BB#2. This product is designed for use with single stage reloaders and allows you to load shot from 7/8 oz. to 11/2 oz. with BB sizes down to #3. This guide provides essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local laws and regulations related to reloading and ammunition.

## Specific Safety Precautions for Use

- Use safety glasses and hearing protection when reloading.
- Avoid using the charge bar in wet or humid conditions to prevent rust and corrosion.
- Do not exceed the specified load limits (1 oz. maximum).
- Ensure that the charge bar is securely attached to the reloader before use.
- Do not attempt to modify the charge bar in any way.
- If you experience any issues during use, stop immediately and consult the product manual or seek professional assistance.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the reloader is powered off and unplugged.
- Attach the STEEL SHOT CHARGE BAR to the reloader according to the manufacturer's instructions.
- Confirm that the charge bar is locked in place and securely fastened.

### 2. Usage

- Set the desired load size on the charge bar (between 7/8 oz. and 11/2 oz.).
- Verify that the shot and BB sizes are appropriate for the charge bar (#3 or larger).
- Begin the reloading process by following the reloader's operational guidelines.
- Monitor the loading process to ensure that the charge bar is functioning correctly and safely.

## Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste.
- Check for any recycling options available for metal parts.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the STEEL SHOT CHARGE BAR MEC RELOADING 1OZ BB#2, please refer to the manufacturer's contact information provided with your product.

## **Conclusion**

By following the safety instructions outlined in this guide, you can ensure a safe and effective reloading experience with the STEEL SHOT CHARGE BAR MEC RELOADING 1OZ BB#2. Always prioritize safety and compliance with local regulations. Thank you for your attention to these important guidelines.
